**SELF-DIRECTED APPROACH TO LEARNING**

- Fosters independence and confidence
- Dual-path Early Education, Montessori or Primary for ages 3 to Gr. 3, provides options to identify the best educational path for each student
- Technology integrated - iPads, Chromebooks and MacBooks, e-readers, SMARTPanels, 1:1 devices in Gr. 3 to 8
- Graduates recruited by prestigious area high schools
- One of only six Montessori schools in Pennsylvania accredited by the American Montessori Association

**UNIQUE LEARNING SPACES**

- Classrooms specifically designed for the learning needs of each age level, including a Middle School building only for grades 6 to 8
- Two campuses, two art rooms, three gyms, two STEM labs, two drama stages, three playgrounds, two libraries, Digital Arts Center
- Expansive 14-acre campus in the heart of Chestnut Hill that fosters openness and active experiences

Norwood-Fontbonne Academy provides an exceptional independent school experience for age three to grade 8, deeply rooted in the Sisters of Saint Joseph's commitment that "all may be one."

**CATHOLIC VALUES AND SERVICE LEARNING**

- Deep understanding of service through pre-education, face-to-face interaction, and post-reflection
- Sacrament preparation and school liturgies

**A VARIETY OF CO-CURRICULAR OFFERINGS**

- Robotics, Drama, Kitchen Wizards, *NFA Note-ables*, Science Explorers
- Three-season athletics program open to grades 4 to 8; participation in Catholic Academy League (CAL)

**INVOLVED PARENT COMMUNITY**

- More than 20 family-centered events each year with volunteer opportunities
- Work in partnership with teachers and administrators
- Parent in-class observations
