Non-Discrimination Policy

Chestnut Hill College, founded by the Sisters of Saint Joseph, is committed to an active inclusive love of all people without distinction. Therefore, it is the policy of Chestnut Hill College that no person will be discriminated against by Chestnut Hill College in admission to or participation in any educational program and, moreover, no person will be discriminated against in employment, including recruitment, hiring, promotion, termination, or forms of compensation or on any other terms of employment. Discrimination on the basis of any of the following is prohibited: race, ethnicity, color, religion, sex, sexual orientation, gender identity, national origin, age, marital status, familial status, disability, or status as a veteran. Chestnut Hill College follows the June, 2011; Fair Practices Ordinance of the City of Philadelphia (9-1100) as well as other local, state, and federal laws. Retaliation against complainants, alleged victims or witnesses is also prohibited by this Policy.

Chestnut Hill College's School of Continuing and Professional Studies endeavors to present an accurate overview of its curricular and co-curricular programs, facilities and fees in this publication. The information contained herein is current as of July 1, 2023. As growth and changes are inevitable, Chestnut Hill College reserves the right to alter any program, facility or fee described in this publication without notice or obligation. Failure to read this catalog and other sources of regulation governing academics and student life at Chestnut Hill College does not excuse the student from the requirements and regulations discussed herein.

Mission

Chestnut Hill College, an inclusive Catholic community rooted in and animated by the Mission of the Sisters of Saint Joseph, is committed to transformative holistic education, just relationships, innovative thinking and responsible action toward a more unified global society and sustainable Earth.

Grounded in our strong liberal arts tradition and attentive to the need for informed professional education, Chestnut Hill College, founded in 1924, offers academic degree programs of excellence in undergraduate, graduate, and continuing studies. Faithful to our Catholic heritage and intellectual tradition, Chestnut Hill College espouses the beliefs and values inherent in the Abrahamic faith traditions, and welcomes and respects the contributions made by other faiths in the development of the whole person. We nurture integrity, spirituality, and dedication to justice in and for all. We value and commit to engage in the work of diversity, equity, and inclusion.

Approved by the Chestnut Hill College Board of Directors March 15, 2021

Student Learning Outcomes

In the spirit of our Mission and Core Values, and with a commitment to life-long learning, the Chestnut Hill College community has adopted these learning outcomes to promote, guide and assess learning in all the College's programs. Believing, as did our founder Sister Maria Kostka Logue, that our students are "here to learn to make a living because [they] must, but [they] are here to learn to live," we set forth these outcomes as standards in all academic and co-curricular areas.

Information Literacy: Students will demonstrate the ability to know when there is a need for information and to access, organize, interpret, evaluate and utilize information from a variety of sources in an ethically appropriate manner.

Communication: Students will demonstrate clear and effective communication in a variety of modes and styles in and out of the classroom, specifically the ability to read, write, speak, listen and employ various media effectively, and use quantitative data to communicate. Students will be encouraged to use critical and creative forms of expression.

Critical and Creative Inquiry: Students will demonstrate an understanding of and an ability to use critical analysis to develop innovative and imaginative methods of inquiry and problem solving. Students will be encouraged to use critical thinking skills as a guide to multiple modes of inquiry, challenging conventional wisdom and stereotypes.

Leadership and Collaboration: Students will demonstrate the ability to communicate, cooperate and collaborate in a range of situations, such as goal setting, team building, leadership development, and group facilitation.

Integrative Learning: Students will demonstrate the ability to transform information and experience into knowledge and knowledge into judgment resulting in action. Students will be encouraged to make connections within and among academic disciplines, co-curricular activities and pursuits beyond the campus boundaries.

Civic Engagement: Students will demonstrate knowledge of societal issues in the analysis of contemporary and historical challenges. Students will be provided with opportunities to engage issues of social justice, to serve with and for others, to engage in reflection and to participate in their roles as citizens in local and global contexts.

Ethical Reasoning: Students will be provided with opportunities to develop ethical awareness of societal issues, to exercise moral, intellectual and personal responsibility and to recognize that ethical decision-making and reflection on various consequences are the elements of an on-going discernment process. Students will demonstrate ethical reasoning skills based on critical analysis that is grounded in reason and governed by diverse values.

Knowledge of Self and Others: Students will be provided with opportunities to reflect on their strengths, explore their assumptions, develop their athletic/physical potential and foster an understanding of their complex identities (connecting habits of mind, heart and body). They will be encouraged to explore a diversity of individuals, groups, and cultures so that they may grow in empathy and respect for the values of others. Students will demonstrate knowledge of the breadth of human diversity as well as the ability to examine and challenge their own beliefs when confronted with the views of others.

Intentional Learning: Students will be provided with opportunities to cultivate intellectual agility and creativity, purposeful learning, self-assessment, health awareness, self-confidence and the ability to manage change. Students will be encouraged to continue lifelong holistic development personally, professionally, aesthetically and physically through self-reflection, feedback from others and new learning experiences.

Spiritual Growth: Students will be guided to explore their own spiritual tradition, to understand the commitment involved in the practice of a faith, to engage in the common search for wisdom and to appreciate their place and role in a context larger than themselves. They will be encouraged to explore the meaning of a spiritual perspective on life, including an understanding of how this perspective shapes and guides decisions. They will be provided with opportunities to gain knowledge of world religions, to experience inclusive Catholic tradition, and to absorb the legacy of the Sisters of St. Joseph, all within the context of the diversity of human beliefs.

Ratified by the Chestnut Hill College Community in 2010.

Academic Integrity Policy
Academic integrity, which is essential to the mission of Chestnut Hill College, consists of responsibility and honesty in the fulfillment of academic duties and is vital to the College community of scholars. Academic integrity promotes trust, mutual respect, cooperation, and the advancement of learning. Academic integrity requires:

- Careful and thorough preparation for courses, including reading, completion of assignments, finding required background material, and reflecting on relevant issues.
- Regular and prompt attendance for the entire course session unless there is a serious reason for absence.
- Effort to maintain careful and focused attention during class.
- Participation in course discussion by both speaking and listening.
- Consistent attendance at lectures, events, study groups, and/or conferences with the Instructor, as required or suggested by the Instructor.
- Asking questions and seeking appropriate assistance from peers, academic support staff, and Instructors, as needed.
- Respect for Instructors and students.
- Careful and thorough preparation for and complete honesty in fulfilling assignments, writing papers, citing sources, and taking tests and examinations.
- Speaking to any student observed in violation of academic integrity, to discourage such violation. If this is not successful, reporting the violation to the instructor.

Cheating and Plagiarism

Cheating and plagiarism destroy the trust and mutual respect that are essential to a community of learning. These behaviors violate the deepest convictions of the College community and are infractions of Academic Integrity.

The following acts are examples of cheating, though the list is not exhaustive:

- Using material or data not specifically allowed by the Instructor during the taking of an examination, test or quiz, such as:
  - material written by another student with or without his or her knowledge
  - cheat sheets whether on paper or electronic
  - textbooks and/or notes
  - unauthorized use of calculators, phones, watches or any other unauthorized aid.

- Collaborating during an in-class or on-line examination, test or quiz, either in the giving or receiving of information or improper collaboration.

- Using textbooks, materials or assistance outside the directions of the Instructor on a take-home examination or laboratory report.

- Stealing, using or transmitting verbally, electronically, or otherwise, examinations, tests, quizzes or portions thereof, or other likewise confidential information before or during the time of the exam.

- Stealing, receiving, or transmitting verbally, electronically, or otherwise, assignments to/from other students.

- Submitting for a grade in one course any material previously or simultaneously submitted for a grade in another course without documented authorization from both Instructors.

- Substituting for another student or permitting any other person to substitute for oneself to take a test or examination.

- Falsifying laboratory or research data or results.

- Falsifying or inventing bibliographical entries.

- Withholding knowledge of cheating or plagiarism.

- Knowingly participating in another student's act of cheating or plagiarism.

- Willfully committing, aiding, or abetting any act of cheating.

Plagiarism is defined as the submission of work (written work, art work, musical composition, oral presentation, software program, experimental design, etc.) that incorporates ideas from another individual (student, teacher, author, etc.) and presents these ideas as one's own without adequate acknowledgement of the source.

The following acts will be deemed acts of plagiarism, though this list is not exhaustive:

- Presenting published or unpublished work prepared by others, or dictated by others, as one's own, including papers purchased or borrowed from any person or organization.

- Presenting, as one's own, reports, assignments, or exercises copied from or dictated by others.

- Incorporating formal lecture notes, on-line course material, or information from textbooks into one's own work without acknowledgement and thus presenting them as original.

- Presenting, as one's own, computer solutions, multi-media projects, or computer programs developed by someone else.

- Copying multimedia objects (videos, audio files, animations, presentations, websites, blogs, wikis, discussion posts, e-publications, e-portfolios, etc.) without appropriate citation, and presenting this as one's own original work.

- Copying the ideas and/or language of any other person or persons, without appropriate citation or acknowledgement, and presenting this as one's own original work.

- Willfully committing, aiding or abetting any act of plagiarism.

Penalties

Instructors are responsible for determining when a violation of academic integrity has occurred, as well as for reporting and providing penalties for this violation. Because consequences may differ when multiple infractions have occurred, all violations must be reported to the School of Continuing and Professional Studies (SCPS) Administrator. The Administrator's Office is responsible for keeping track of the number of times a student is reported. Penalty levels:

- **A:** Remediation/written warning
- **B:** Assignment of additional work
- **C:** No credit for the test or assignment

- **D:** Failure of the course
- **E**: Suspension from participating in optional College activities such as SGA, athletics, honor societies and programs, etc.
- **F:** Dismissal from the College

An Instructor may impose any of the penalties A through D at his/her discretion; however, the Instructor should first check with the SCPS Administrator to determine whether the student has previous infractions of Academic Integrity. When imposing a penalty, the Instructor must complete the *Violation of Academic Integrity Form*, available in the Office of the SCPS Administrator.

Penalty E is enacted by the SCPS Administrator when the violation is severe or when the student has multiple infractions. Penalty F can only be enacted by the President in consultation with the SCPS Administrator. Even a first offense, if severe, may incur these penalties. No student held responsible for violations of Academic Integrity during a given semester or academic year will be eligible for inclusion on the Dean's List.

Students found responsible for an academic integrity violation may lose other honors.

Appeals

A student reported to the SCPS Administrator for a violation of Academic Integrity may appeal the charge according to the following procedure:
- Academic Integrity cases should first be addressed between the faculty member and the student in an effort to reconcile their differences. If the faculty member determines that a violation of Academic Integrity has occurred, he or she will complete the appropriate form and submit the form to the Administrator.
- If the student disagrees with the charge, he or she will have three weeks from receipt of notification to present an appeal in a signed letter to the Administrator. It is the charge that is in question, not the penalty. All participants in the hearing must have three working days' notice of the hearing.
- . In the SCPS, the appeals board will be composed of four members: the SCPS Administrator, the Chair of Academic Standards committee, one other faculty member and a student, both appointed by the SCPS Administrator. The SCPS Administrator will moderate the discussion but will not vote.
- If the case is brought to the Appeals Board, both student and faculty member will submit relevant evidence (including a list of witnesses) to the office of the SCPS Administrator three working days before the hearing. If more than one student is involved, each will have a separate hearing. No attorneys or parents/guardians are to be present at this hearing. Only individuals approved by the SCPS Administrator may be present at the hearing.
- The Appeals Board will pronounce on the charge, not the penalty. If the student is found innocent, the sanction is lifted. Otherwise, it remains as imposed. The decision of the Board is final. The SCPS Administrator will communicate the decision to the student within ten working days of the hearing.

Philosophy

Chestnut Hill College's Accelerated Adult Degree Program (AADP) in the School of Continuing and Professional Studies offers evening fast-track degrees to working adults. This alternative degree delivery model provides the opportunity to earn college degrees by

delivering courses in a continuous eight-week format. Majors are related to business, education and social services. All degrees require a core liberal arts education.

Chestnut Hill College is committed to preparing students for living and working in a global community by offering undergraduate degree programs grounded in the liberal arts. The purpose of the educational experience is to:

- Educate students for their roles as responsible citizens in a global community.
- Provide links between the world of learning and the world of work, the liberal arts and professional studies.
- Affirm the concept of lifelong learning; and
- Uphold the ideals of social justice and the values inherent in the Judeo-Christian tradition.

Contact the Office of Admissions at adultdegree@chc.edu or call 215-248-7001 for additional information.

International Students
International students follow all admission requirements as stated in the Admissions section of this catalog. A TOEFL score of 550 (paper-based test) or 213 (computer-based test) is required; in addition, a financial statement indicating ability to pay must accompany application materials. The I-20 needed to obtain an F-1 visa is sent to the student upon receipt of these materials. (See International Student Services.) All persons born outside the United States need to meet with the Associate Director of Global Education when applying for admission.

The Accelerated Adult Degree Program

The **Accelerated Adult Degree Program at Chestnut Hill College** is designed to support adult students who want to earn a degree to satisfy a personal goal or to advance their careers.

At Chestnut Hill College, we combine traditional face-to-face instruction, with online and hybrid classes to create a balanced education, perfect for all students. We have academic and supportive advisors to help you on your journey.

The program offers nine bachelor's degrees with courses scheduled in an 8-week format. Classes are conveniently offered in the evenings (6pm-9pm) to fit your busy schedule.

Dual Majors

If students wish to major in two areas, they need to have maintained a cumulative GPA of 3.50 or better after having completed fifteen credits at Chestnut Hill College and are responsible for completing the degree requirements for each major. Application must be made before completing ninety credits towards the degree program. The SCPS Administrator must approve the student's program of study, designating one area as the official major, which determines the degree (B.A. or B.S.). The degree will be awarded only in the primary major. If interested in a dual major, consult an academic advisor for detailed information on curriculum requirements. Both degrees will be listed on the official transcript.

Degree Programs

Chestnut Hill College's Accelerated Adult Degree Program offers the Associate of Arts (A.A.), the Bachelor of Arts (B.A.) and the Bachelor of Science (B.S.) degree. A student may obtain an undergraduate degree by pursuing one of the following majors:

- Business Management (B.S.)
- Business Communications (B.S.)
- Childcare Management (B.S.)
- Criminal Justice (B.S.)
- Early Childhood Studies (non-certification) (also online)
- Early Childhood Studies with Montessori Early Childhood Credential
- Early Childhood Studies with Montessori Infant Toddler Credential
- Human Services (B.S.) (also online)
- Liberal Studies (B.A.)
- Security Studies (B.S.) (Currently not admitting new students.)
- Social Gerontology (B.S.) (Currently not admitting new students.)

Second Degree

Chestnut Hill College will grant a second baccalaureate degree to a student with a baccalaureate degree from Chestnut Hill College or another accredited institution, and who wishes to earn a degree in a different major. The student must satisfy the (current) requirements of the SUS/SCPS core curriculum and the major. For students who have already earned a baccalaureate degree at Chestnut Hill College, at least 30 new credits beyond the original degree and toward the second degree must be completed at Chestnut Hill College; at least 15 of these credits must be in the field of study. For students who have already earned a baccalaureate degree elsewhere, a minimum of 45 credits toward the

second degree must be completed at Chestnut Hill College; at least 15 of these credits must be in the major field of study. Moreover, all Chestnut Hill College graduation requirements (e.g., GPA requirements) must be met.

Articulation Agreements and Transfer Partnerships

Chestnut Hill College has curricular and transfer partnerships with several two-year institutions, including but not limited to Bucks County Community, Camden County College, Community College of Philadelphia, Manor College, Delaware County Community College, Harcum College, Lehigh Carbon Community College and Montgomery County Community College. Please contact the Office of Admissions at 215-248-7001 or email adultdegree@chc.edu for updates on transfer partnerships, and for detailed information about dual admissions, core-to-core and program-to-program transfer opportunities, discounts for transfer students and tuition discount partnerships.

Academic Policies and Procedures

It is the responsibility of the student to know and comply with the academic policies, procedures, and regulations of the College as outlined in this Catalog. Such policies, procedures and regulations may change without prior notice.

Academic Advising

All course registrations require the approval of an Academic Advisor. It is further recommended that students meet with an Academic Advisor specifically to review academic records and progress. This review serves to avoid conflict in academic scheduling and misunderstanding of program requirements. Students are responsible for meeting the requirements of the degree or certificate and Prerequisites for courses in which they are enrolled. It is strongly recommended that if a student is planning to graduate within the year or has at least ninety credits, she/he should have a graduation audit completed with an Academic Advisor.

Academic Probation/Dismissal

An academic probation letter serves as a precaution to an accelerated student who is in danger of not attaining the necessary cumulative GPA to graduate in the School of Continuing and Professional Studies. Students placed on academic probation must meet with the SCPS Administrator for academic advisement prior to registering for the next session(s). While on academic probation, a student is limited to registering for one course per session. A student who falls below the required GPA may be at risk of losing his/her financial aid. Probationary status is automatically withdrawn after a student's cumulative GPA reaches acceptable standing. A student who does not make academic progress and who continuously fails to raise the cumulative GPA may be dismissed from the School of Continuing and Professional Studies, Accelerated Adult Degree Program. Probationary and academic dismissal status is reported on the student's official transcript. A dismissed student remains responsible for all tuition and fees. In addition, violations to institutional regulations, including but not limited to plagiarism and cheating, sexual harassment, violence (both verbal and physical), firearms, theft, and alcohol and drug use may result in dismissal from the School of Continuing and Professional Studies, Accelerated Adult Degree Program.

Academic Amnesty (Forgiveness)

Undergraduate students who seek readmission to the School of Undergraduate Studies or the School of Continuing and Professional Studies following a four-year consecutive absence from Chestnut Hill College may petition their respective Administrator or the Vice President for Academic Affairs to have their Career GPA reset at the time of readmission. Students are afforded one opportunity for Academic Amnesty. Upon successful petition, the Career GPA will be reset to 0.00 and the notation of "Academic Amnesty" will be recorded on the student's transcript. Once enacted, the reset GPA cannot be reversed. All prior courses and grades will remain on the student's academic record and transcript. Chestnut Hill College reviews transfer courses in which a grade of "C" or higher has been earned for application towards the degree. Grades earned in these courses will not be calculated into the Career GPA. Students must complete a minimum of 45 credits post Academic Amnesty to be eligible for graduation.

Academic Honors and Awards

A student who receives the following cumulative grade point average upon completion of the degree requirements will be recognized at graduation: 3.60 cum laude; 3.75 magna cum laude; 3.90 summa cum laude. The final cumulative GPA and corresponding honors are recorded on the student's permanent record. Other academic honors awarded to Accelerated students include:

Dean's List

The Dean's List for full-time students (those taking a minimum of 12 credits that earn academic credits) is published three times each academic year following the fall, spring, and summer semesters. Eligibility for inclusion is based upon two criteria: the completion of at least 12 academic credits for the semester with a GPA of 3.6 or higher, and the student is not being held responsible for violations of academic integrity during that semester.

The Dean's List for part-time students is published once every September. To be eligible, part-time students must have completed a minimum of 12 credit hours during the preceding 12 months. Eligibility for inclusion is based upon two criteria: a GPA for the 12 months of 3.6 or higher, and the student is not being held responsible for violations of academic integrity during that 12-month period.

Honor Societies/Awards

Alpha Alpha Alpha (Tri Alpha)

All first-generation college students, graduate students, faculty, staff, and alumni of CHC are eligible to join the Delta Zeta Chapter of the Tri-Alpha Honor Society. In order to be eligible, students must have earned at least 30 credits and have earned a 3.2 GPA. Neither of the student's parents, stepparents, or legal guardians have completed a bachelor's degree.

Alpha Phi Sigma

Alpha Phi Sigma recognizes the academic excellence of undergraduate criminal justice students. Its mission is to promote analytical thinking; rigorous scholarship and lifelong learning; to keep abreast of the advances in scientific research; to elevate the ethical standards of the criminal justice professions and to sustain in the public mind the benefit and necessity of education and professional training. Membership in the Alpha Phi Sigma chapter at Chestnut Hill college requires all of the following: a major in Criminal Justice, a ranking in the top 35% of the senior class and have achieved an overall GPA of 3.2; and a GPA of 3.2 in the major. A minimum of four graded courses of the above course work shall be in the criminal justice field.*

Alpha Sigma Lambda

In 1987, Chestnut Hill College was given approval to establish a chapter (Epsilon Sigma) of Alpha Sigma Lambda. This National Honor Society, founded in 1946, recognizes adult students (24 years of age or older) in higher education who have achieved academic excellence and leadership while fulfilling the many responsibilities of family, work and community service. Potential inductees must be matriculated at Chestnut Hill College and have all of the following: a minimum of twenty-four graded semester credits. Members shall be selected only from the highest 20% of the junior/senior class and have a minimum cumulative GPA of 3.6.*

Delta Epsilon Sigma

This is the national scholastic honor society for graduating students of Catholic colleges and universities. Delta Epsilon Sigma established its Chestnut Hill College chapter, Alpha Upsilon, in 1941. Eligibility for election to membership is limited to students in the top 20% of the class with a minimum cumulative GPA of 3.6.

Kappa Delta Epsilon
The National Honor Society for Education promotes the cause of education by fostering a spirit of fellowship, high standards of scholastic attainment, and professional ideals among its members. Organized on March 25, 1933, Kappa Delta Epsilon admitted Chestnut Hill College's Delta Beta Chapter in 1999. The society requires a cumulative GPA of 3.0 at the time of invitation. Education majors are eligible for nomination into the society upon completion of 84 or more semester hours and must have passed two of three PAPA examinations.*

Kappa Gamma Pi
Kappa Gamma Pi is the national Catholic college graduate honor society. Membership, which is limited to no more than 10% of the graduating class, is based on scholarship, leadership, and service. Members are selected in recognition of accomplishments and in anticipation of future service.

Psi Chi
Psi Chi, the national honor society in Psychology, is an affiliate of both the American Psychological Association and the American Psychological Society. Membership in the local chapter requires all of the following: a minor in Psychology; a ranking in the top 35% of the senior class; a Career GPA of 3.2; a Psychology GPA of 3.5; and the completion of four or more Psychology courses.

Sigma Beta Delta
Sigma Beta Delta, the national honor society that encourages and recognizes scholarship and accomplishment among students of business, management, and administration, established its chapter at Chestnut Hill College in 2006. Eligibility for election to membership is limited to those students who rank in the top 20% of the senior class and have achieved an overall GPA of 3.5 at the time of invitation to membership following completion of at least one-half of the degree program in which they are enrolled. Transfer students who meet the qualifications for membership may be inducted after they have completed a minimum of 12 credits in the School of Continuing and Professional Studies, AADP.*

Tau Upsilon Alpha
Tau Upsilon Alpha, the National Honor Society for Human Services, is an affiliate of the National Organization for Human Services. Membership in the Tau Alpha chapter at Chestnut Hill College requires all of the following: a major in Human Services, a ranking in the top 35% of the senior class and have achieved an overall GPA of 3.25. Recipients must exemplify the leadership and ethical characteristics of the Ethical Standards of Human Services Professionals. Transfer students who meet the qualifications for membership may be inducted after they have completed a minimum of 12 credits in the School of Continuing and Professional Studies, AADP*

*Class ranking, GPA and class will be determined at time of invitation.

Scholastic Achievement Award
The Scholastic Achievement Award is presented to a School of Continuing and Professional Studies graduate in recognition of academic excellence, leadership and community involvement. This award is given to the SCPS graduate with the highest earned overall GPA.

Distinguished Service Award
The Distinguished Service Award is presented to the School of Continuing and Professional Studies graduate who has overcome adversity and has persevered to complete his/her educational goals.

The Saint Marie Eugenie Milleret Award
This award is given to a graduate in the School of Continuing and Professional Studies who best exemplifies the educational traditions of the Religious of the Assumption. A person of Dignity, Character, Passion, Humility, Intelligence and Vision.

Saint Catherine Medal
The St. Catherine Medal for Student Achievement is an annual award for presentation at colleges and universities affiliated with Kappa Gamma Pi, the National Catholic College Graduate Honor Society. Kappa Gamma Pi offers the St. Catherine medal to honor a student who represents the high ideals of a Catholic college education.

Sister Matthew Anita MacDonald, SSJ, PHD Outstanding Continuing Education Student Award
The award was created in 1992 in honor of the conclusion of the 12-year term of the fifth president of the College, who was also a member of the Class of 1960 and Director of Continuing Education from 1975-1980. The award is given to a student in the School of Continuing and Professional Studies for academic achievement and community leadership.

Acceptable Academic Standing
An AADP student is said to be in acceptable academic standing if she/he earns the minimum applicable cumulative GPA of 2.0. Failure to maintain the applicable cumulative GPA may result in a change of major or academic dismissal from the School of Continuing and Professional Studies.

Alcohol and Drug Policy
Chestnut Hill College expects from each student a mature recognition of her/his responsibilities regarding the use of alcoholic beverages. No student is permitted to possess or use alcoholic beverages on campus. Each student is responsible for knowledge of the Pennsylvania statutes that prohibit the serving, possessing, consuming or selling of alcoholic beverages to persons less than twenty-one years of age. Students may not use, possess, distribute, or offer for sale narcotics or dangerous drugs, including marijuana or any hallucinogenic agents. Possession of and merchandising drugs is a serious offense that may result in expulsion. The use of drugs is a violation of the law, and Chestnut Hill College cannot and will not protect students from prosecution under the federal and state laws. Possession of, or consumption of drugs or alcohol, or misconduct resulting there from is a serious offense which may be subject to penalties up to and including, suspension or expulsion, depending on the seriousness and the extent of the offense.

Attendance Policy
Regular, timely attendance is an essential part of every student's course work. Students must attend all classes as scheduled. Students who fail to attend the first two classes in any session will NOT be allowed in the class, will be dropped. Attendance is taken and recorded at each class meeting, including labs (if applicable). Students enrolled in a

hybrid/online class will be considered absent if they fail to log into Canvas and/or my.chc.edu and submit assignments associated with the class session. Instructors will announce their course requirements, policies on participation, and methods of assigning grades at the beginning of the session. An instructor may ask a student to justify excessive absences, early departures or lateness. Permission to make up assignments, quizzes, announced tests, or examinations may be granted only at the discretion of the instructor. Excessive absences, early departures or lateness may result in a failing grade or dismissal from a class. The U.S. Department of Education requires attendance records for federal financial aid programs. Excessive absence may result in loss of financial aid eligibility.

Audit and Cultural Enrichment

Chestnut Hill College's School of Continuing and Professional Studies actively encourages members of the community who seek self-improvement or desire educational enrichment to participate in courses of special interest. If students wish to audit or take classes for cultural enrichment, the following regulations apply: no attendance is recorded for auditing students; no assignments or papers are corrected; no examinations are taken; and no credit is given. A record of the audit is kept in the Office of the Registrar. A course audited or taken for cultural enrichment may not be used for credit. Tuition for audit is the same as for credit.

Cancellation of Courses/Programs

Chestnut Hill College or the School of Continuing and Professional Studies reserves the right to cancel courses due to insufficient enrollment, staffing difficulties, or other unforeseen contingencies. In such cases, students will be informed as soon as possible so that other courses may be selected. Occasionally, majors or certificate programs may be terminated. Reasonable efforts will be made so that students who have matriculated will be able to complete those programs.

Change of Address

To signal a change of address, telephone number, place of employment, or other contact information, students should email any changes to the Associate Registrar at scheetzm@chc.edu. Students are responsible for ensuring that all communications are directed to their proper addresses.

Change of Major

Students who wish to change their major must submit their request in writing to the Accelerated Office. Changing a major requires a re-evaluation of all credits and may require additional courses beyond the minimum credits required for graduation.

Change of Registration

Students may change their course schedules at any time prior to session start dates. A student may change his/her registration online or may send an email to the Associate Registrar at scheetzm@chc.edu. An Academic Advisor must approve all registration changes.

Military Students

Chestnut Hill College requires all students to adhere to the same academic policies and procedures. However, the College does recognize that unique circumstances arise in military services. Please contact the Office of the Registrar at 215-248-7005 or email at

registrar@chc.edu for specific questions regarding disruption of your academic program (e.g. deployment), change of registration, course withdrawal or incompletes.

Classification of Students

A first-year student is a student with fewer than twenty-four credits.

A sophomore is a student who has satisfactorily completed twenty-four credits with a minimum cumulative GPA of 2.00.

A junior is a student who has satisfactorily completed fifty-four credits with a minimum cumulative GPA of 2.00.

A senior is a student who has satisfactorily completed eighty-four credits with a minimum cumulative GPA of 2.00.

Full-time status refers to a course load of twelve credits across two sessions in the fall, spring, or summer. This designation is applicable to financial aid requirements only.

Those who are classified as a School of Continuing and Professional Studies AADP students qualify for the Accelerated part-time tuition rate, and are classified by Chestnut Hill College as part-time students.

Closed Courses

Students will not be permitted to enroll in courses at maximum enrollment ("closed" courses). Exceptions to this policy can only be made by the SCPS Administrator and the Associate Registrar when a student graduating at the end of the current session needs the specific course to complete her/his degree requirements. Closed course lists are updated frequently and are available at my.chc.edu.

Commencement Exercises

Chestnut Hill College confers baccalaureate degrees three times a year: August, December, and May. All graduates are encouraged to participate in the annual commencement procession in May, including those who received diplomas in August or December of the same academic year. Students who have not completed their academic program will not be permitted to participate in commencement. It is the student's responsibility to make certain all graduation requirements are successfully completed. Students with a business or library hold will not be permitted to participate in commencement exercises, receive their degree or transcript until the hold is lifted. See the current academic calendar for degree conferral dates.

Course Overload

Two courses per session is considered within load. An overload of one course (9 credits total) per session may be permitted to students in good academic standing, with the approval of an Academic Advisor or the SCPS Administrator. A student in good academic standing, in this context, is defined as one who has completed at least 15 credits at CHC and who maintains a cumulative GPA of 3.2 or better. AADP students are not permitted to enroll in more than nine credits per session for any reason, at any time.

Course Registration

Students are responsible for reviewing course prerequisites and determining the appropriateness of their academic preparation in consultation with an Academic Advisor. When possible, students should register for two sessions at a time: Fall 1 and Fall 2; Spring 1 and Spring 2; or Summer 1 and Summer 2. No registration will be processed until all financial obligations to the College have been met. (See Financial Information for billing policies.)

Registration information is sent via CHC email to students three times each academic year: Fall, Spring and Summer. Students may register online at my.chc.edu. An Academic Advisor must approve all registration requests. Prior approval may be needed for certain courses. Academic Advisors are available to help with course selection and planning.

Course Syllabi

Faculty members are expected to state on their syllabi at the beginning of each session policies on such matters as academic integrity, class attendance, frequency of examinations, use of notes and textbooks during examinations, submission and grading of written assignments and papers, their grading scale, and the basis for determining the final grade. College policies as published in this Catalog also apply. It is the student's responsibility to carefully review this information.

Degree Candidacy

It is the student's responsibility to see that all graduation requirements are fulfilled. The minimum credit hour requirement for graduation is 120 credits and the minimum course requirement is 40 courses. A candidate for graduation must also satisfy the following:

Achieve a minimum cumulative GPA of 2.00 for all courses presented for the degree;

Achieve a minimum cumulative GPA of 2.00 for courses required in her/his major and offered by the major;

Achieve a grade of "C-" or above for all courses required in the major area of study;

Achieve a grade of "C-"or above for all courses required in the minor area of study;

If a transfer student, complete a minimum of forty-five credits (fifteen courses) at Chestnut Hill College;

If a transfer student, complete half the courses required in the major at Chestnut Hill College.

Disabilities Policy Statement

Consistent with Section 504 of the Rehabilitation Act of 1973 and Title II of the American with Disabilities Act of 1990, students with documented disabilities may seek relevant, reasonable, academic, or housing accommodations or auxiliary aids. Chestnut Hill College is committed to providing equal educational opportunities for qualified students. The College complies with applicable federal and state laws. Disclosure of a disability   is

voluntary and confidential. To access services, students must submit documentation to verify eligibility under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990.

Documentation must state the nature of the disability and provide adequate information to support accommodations. Accommodations will be determined on a case-by-case basis. The College reserves the right to request additional information if necessary, especially in cases where re-certification of a disability is warranted.

Exit Interviews and Application for Graduation

Each student's program is subject to degree requirements as outlined in the dated catalog at the time of the student's initial enrollment in the program. When planning to graduate, students should contact the Associate Registrar in the School of Continuing and Profession Studies to request an audit of their academic record. Pending graduates must request the audit at least two months prior to graduation. The last day to request the audit is published in the Academic Calendar. Exit interviews are done via the CHC email system. Students must complete all course requirements and remove all financial indebtedness to Chestnut Hill College prior to receipt of degree and/or participation in graduation.

Family Education Rights and Privacy Act

This act protects the privacy of educational records, establishes the rights of students to inspect and review their educational records, and provides guidelines for the correction of inaccurate or misleading data through formal or informal appeals. Currently enrolled students may withhold disclosure of information under the Family Educational Rights and Privacy Act of 1974, as amended. To withhold information regarding educational records, a currently enrolled student must give written notification to the Associate Registrar's office within two weeks after the first meeting of any course.

Disclosure to the following parties, however, is specifically exempted by the Privacy Act from this rule:

- administrative and academic personnel within the institution who have a legitimate educational interest;
- officials of the institution in which the student seeks to enroll;
- persons or organizations to whom the student is applying for financial aid;
- certain federal and state government officials;
- organizations conducting studies relating to tests, student aid program, instruction;
- appropriate persons where a health or safety emergency affecting the student exists;
- any person where the disclosure is required for compliance with a judicial order to proper subpoena.

Copies of The Family Education Rights and Privacy Act are available in the Registrar's office, third floor, St. Joseph Hall.

The Chestnut Hill College AADP staff will not disclose a student's address or telephone number to another student. Students may request withholding information from directories by written notification to the Associate Registrar's Office.

Grade Appeal

Students who feel there has been an error in grading may pursue a grade appeal. This process must begin before the end of the session immediately following the session in which the grade was assigned. The student must initiate the process by first appealing in writing to the instructor who has given the grade, providing the instructor with any relevant material/evidence in support of appeal. If requested by the student, the instructor should provide within one week of the request a written statement to the student detailing the reasons for the grade.

If consultation with the instructor does not lead to a resolution satisfactory to the student, the student may, within five days of the instructor's response, appeal in writing to the Chair of the appropriate department or program stating the reasons for the disagreement and presenting evidence in support of appeal (course syllabus, copies of assignments and exams, etc.)

If the decision of the Chair remains unsatisfactory to the student, the student may, within five days of the Chair's written response, request that the SCPS Administrator form an ad hoc committee (consisting of the SCPS Administrator and three faculty members other than the instructor and department Chair) to review the issue. As part of the request, the student must supply four copies of relevant supporting documentation arranged in chronological order. The ad hoc committee will convene as soon as possible. The SCPS Administrator will forward all relevant material to the ad hoc committee in sufficient time for it to be reviewed prior to the meeting. The student and instructor will present their arguments before the ad hoc committee in one another's presence. The student and instructor will answer questions from the committee. The ad hoc committee, deliberating in private, will review the evidence and reach a decision. The SCPS Administrator will notify the student of the final decision.

Grade Changes after Submission

After submitting a final grade, an instructor may change it only under the following conditions:

- The change must be submitted on the official Grade Change form via the CHC email system, within two weeks into the next semester or session of the school in which the course was taken.
- The instructor must state the reason for the change, which must be due only to serious extenuating circumstances.
- The instructor may not assign nor accept any additional work after submitting the final grade. Please refer to other College policies regarding grade appeal by the student, or incomplete grades.

Grade Point Average (GPA)

In addition to passing all courses, the student is required to maintain a specific cumulative GPA to be in acceptable academic standing, to maintain financial aid eligibility (See Financial Information section) and to graduate. Only courses for which a letter grade is given and that are presented for the degree are computed into the cumulative GPA. The cumulative GPA is calculated in the following way: The quality points per course are determined by multiplying the number of semester credits (three, six, nine, etc.) by the number of quality points assigned to the grade received (e.g., "A" = 4.0 quality points).

The sum of the quality points received for all courses is then divided by the number of semester credits earned.

Quality points per course = semester credits multiplied by quality points.

Grade-point average (GPA) = sum of the quality points of all courses divided by the number of semester credits earned.

Grading System

Faculty members have the right to use other grading scales and are required to report their scale of use on all course syllabi.

A	=	93-100	C+	=	77-79
A-	=	90-92	C	=	73-76
B+	=	87-89	C-	=	70-72
B	=	83-86	D+	=	67-69
B-	=	80-82	D	=	60-66
			F	=	59 and lower

Academic achievement is designated by the following letters on student transcripts:

A	=	4.0	
A-	=	3.7	
B+	=	3.3	
B	=	3.0	
B-	=	2.7	
C+	=	2.3	
C	=	2.0	
C-	=	1.7	* Minimum grade required for all courses in the major/minor
D+	=	1.3	
D	=	1.0	
F	=	0.0	
WF	=	withdrawal/failure: given when a student withdraws after the approved time period	
Grade+N		Non-academic course	

Courses with a grade of F, WF or Grade+N are calculated in the Term and Career GPAs as well as Attempted Credits, but any credits passed are not calculated in Earned Credits. (Example: UEMA 100-Developmental Math-B+N)

I	=	Incomplete
P	=	Pass
NR	=	Not Recorded
W	=	Withdrawal during the approved time period
AU	=	Audit
CL	=	College Level Examination Program (CLEP)
CR	=	Credit
PA	=	Portfolio Assessment

A/A- indicates mastery of the course content accompanied by evidence of exceptional achievement in critical, independent thought masterfully expressed.

B+/B/B- indicates a good grasp of course content accompanied by evidence of a marked achievement in critical, independent, and creative thought competently expressed.

C+/C/C- indicates an adequate grasp of course content accompanied by an average achievement in critical, independent, and creative thought and the capacity to express it.

D+/D indicates a limited grasp of course content and evidence of minimal achievement in critical, independent, and creative thought. (A grade of "D" or "D+" is not acceptable in the major and must be repeated.)

F indicates an insufficient grasp of course content with evidence of an unacceptably low achievement in critical, independent, and creative thought.

I indicates an Incomplete. (See Incomplete Grades below)

P/F indicates a pass/fail grade. Internships are graded on a pass/fail basis. A grade of "P" (pass) is not computed in the cumulative GPA. The grade of "P" indicates that the student has received full credit for the internship toward graduation; the grade of "F" indicates that the student has failed the internship and receives no academic credit and it is computed into the cumulative GPA.

Graduate Course Enrollment

A Chestnut Hill College AADP student may begin graduate work in the School of Graduate Studies at Chestnut Hill College while fulfilling the requirements of an undergraduate degree if the student's academic performance and promise justify such action. Credits earned in excess of those required for the undergraduate degree may be applied toward an advanced degree. Students must have senior status, a cumulative grade-point average of 3.2 and permission of the SCPS Administrator and Vice President for Academic Affairs. Registration requires a Graduate Course Permission Form and is completed through AADP.

Incomplete Grades

An incomplete grade can be given only in an emergency when a student is unable to complete the course by the end of the session. Approval from the SCPS Administrator and permission from the instructor is required. An Incomplete Grade Request Form must be completed by the faculty member, signed by the student, and submitted to the SCPS Administrator for approval prior to the last class meeting. If approved, all required work must be completed and submitted to the instructor prior to the fifth week of the next session. An incomplete grade will automatically change to an "F" if not all work is completed by five weeks into the next session. (See Academic Calendar for specific dates.) Independent Study Permission of the SCPS Administrator is required to study independently. Permission will be granted only in exceptional circumstances such as the course is needed for graduation and is not scheduled.

Internships

An internship is a Major Elective option for most majors and is offered on a pass/fail basis. Three academic credits are awarded for each internship. Students must have a GPA of 3.0 and have earned 84 credits. Requests for letter grades must be submitted in writing

prior to the beginning of the internship. Criteria for internships are available from the SCPS Administrator.

Late Registration

Students may not add a course after the class has met. Sessions start with published session dates on the Academic Calendar, not the date of the student's first scheduled class. Please check the Academic Calendar for holiday dates.

Leave of Absence Policy

At times, students may encounter circumstances that require time away from the College. In these situations, a student may request a leave of absence (LOA). A leave of absence may be requested for a variety of reasons. This policy specifically speaks to the following categories:

- Medical Leave of Absence
- Involuntary Medical Leave of Absence
- Compassionate Leave of Absence

A LOA provides students with the opportunity to remain in standing with the College and eliminate the need to apply for readmission. In each case described below, the student is responsible for completing the necessary paperwork and providing appropriate documentation.

In general, a LOA is designed to allow a student to completely step away from the institution. Students needing to change their status from full-time to part-time, who need to request an incomplete, or who need accommodations in to stay successfully enrolled should contact the Vice President for Academic Affairs of the appropriate school (Undergraduate, Continuing and Professional Studies, or Graduate), the Center for Accessibility and Learning Services, or consult the appropriate policy in their respective Academic Catalog.

Please note that any leave from the institution may have financial aid implications. Students are encouraged to review the Return of Title IV Funds Policy found in the Academic Catalog and to meet with Student Financial Services prior to finalizing a LOA.

Medical Leave of Absence

While enrolled at the College, students may encounter physical and/or mental health issues that interfere with their ability to fully and safely engage in the academic and campus life of the institution. A Medical Leave of Absence (MLOA) allows a student to step away from their studies to receive the appropriate treatment. A MLOA is designed to support students when treatment for a physical and/or mental health issues. Common reasons for a MLOA may include major accident, injury or significant illness requiring extended treatment, addiction and substance use disorders, and/or mental health reasons. To request a MLOA, a student must:

- Have a documented major physical or mental health issues that cannot be mitigated in a short period of time.
- Provide documentation from a licensed health professional that supports the specific physical or mental health issues. This documentation must be typed and submitted

on official letterhead. This documentation should specify the reasons for the leave and the anticipated length of time needed for the leave.

- Depending upon the condition of the student, the SCPS Administrator may request a meeting with the student. However, when in the best interest of the student, a decision may also be made based on the provided written documentation.

The SCPS Administrator's office will make the final determination on a MLOA.

Involuntary Leave of Absence

In most cases the College will work with the student to create a mutually agreeable and voluntary leave. In rare cases, Chestnut Hill College may determine that an involuntary Medical Leave of Absence (IMLOA) is necessary. An IMLOA will be considered when a student is unable to participate in campus and academic life due to medical issues and/or when a student's behaviors are disruptive to the educational or co-curricular experience on campus. While any IMLOA will be handled using an individualized assessment, acute danger to self or others, an inability to manage daily tasks, and/or an inability to follow a proscribed behavior plan (including use of appropriate support services) may result in the College initiating the IMLOA process. The decision to mandate an involuntary Medical Leave of Absence will be made following an individualized assessment; this individualized assessment may include members of the College's Wellness Team and/or Threat Assessment Team. An IMLOA may be short-term (10 business days or less) or long-term (e.g. the remainder of the semester or academic year).

A student who disagrees with the College's decision to impose an involuntary MLOA may submit an appeal. Appeals will be reviewed jointly by the Vice President for Academic Affairs and Vice President for Student Life; the involuntary MLOA will remain in effect while the appeal is pending. Appeals must be received within 5 business days of being placed on an Involuntary Leave, must be made in writing and include appropriate documentation to support the appeal. The Vice President for Academic Affairs and Vice President for Student Life may request to meet with the student (as appropriate) and consult with other staff members who have knowledge about the original decision. An appeal decision will be issued within five business days. This decision will be communicated in writing and will be final.

During an IMLOA, a student may be subject to restrictions including, but not limited to, temporarily being banned from campus.

Compassionate Leave of Absence

While enrolled at the College, students may encounter situations that require them to take leave to care for a sick parent, partner, or dependent, or following the birth or adoption of a child. In these cases, a student may request a Compassionate Leave of Absence (CLOA). In order to request a CLOA, a student must:

- Submit a written request for a CLOA to the SCPS Administrator or the Vice President for Academic Affairs (Undergraduate, Continuing and Professional Studies, or Graduate), including documentation to verify the circumstances precipitating the need for a CLOA.
- Upon receipt of the written request, the SCPS Administrator will request a meeting with the student; every effort will be made to hold a meeting within 5 business days,

including having a telephone meeting, with the goal of approving or denying the request within an additional five business days.

Returning from a Leave of Absence

The request to return from a LOA, including the required documentation if returning from a MLOA, must be submitted to the SCPS Administrator or the Vice President for Academic Affairs (Undergraduate, Continuing and Professional Studies, or Graduate) utilizing the instructions provided at the time of the leave. The College and the student may mutually agree to extend this deadline when appropriate. Return from a LOA will not be permitted following the drop/add period for the specific semester during which the student is attempting to return. This policy is designed to support the success of students as they reenter into their education at the College.

Returning from any type of LOA can be simultaneously rewarding, exciting, stressful, and demanding. To help ensure a successful reentry, students returning from any type of voluntary LOA are required to meet with the SCPS Administrator. In order to return from a MLOA, the student must submit documentation (typed and submitted on official letterhead) from a licensed health professional addressing the student's current health status and ability to return to his or her studies.

Depending upon the reasons for the original leave, the student may decide to request support from a number of offices on campus. As appropriate, the College strongly encourages students to utilize the Counseling Center, Student Health, the Disability Resource Center, Academic Advising, and the respective SCPS Administrator or the Vice President for Academic Affairs offices upon return from a LOA.

Returning from an IMLOA requires a student to fulfill all conditions set forth in the written notification of the IMLOA. To return from an IMLOA, the student must submit documentation (typed and submitted on official letterhead) from a licensed health professional addressing the student's current health status and ability to return to his or her studies. The request to return from an IMLOA must be submitted utilizing the instructions provided at the time of the leave. Working in collaboration with the Wellness Team and Threat Assessment Team, the SCPS Administrator or Vice President for Academic Affairs of the appropriate school (Undergraduate, Continuing and Professional Studies, or Graduate) and/or the Vice President for Student Life may place conditions upon the student's continued enrollment at the College. Failure to comply with these conditions may result in another IMLOA or Administrative Withdrawal from the College.

In all types of LOA, a student who fails to contact the College within the determined time period, and who subsequently fails to establish communication with the College, may be withdrawn from the institution per the College's Administrative Withdrawal Policy.

Math Placement Examination
The Math Placement Examination is designed to encourage strong academic performance in mathematics courses, and courses for which mathematics is a Prerequisite. Tutorials are available to help students prepare for the Math Placement Exam. AADP students must take a Math Placement Exam prior to their registration in a mathematics course.

Examination is waived when a student has transferred mathematics courses equivalent to all mathematics courses required for the chosen CHC degree, or the equivalent of the first mathematics course required in the major curriculum track (i.e.: UEMA 104 Math for Business I or UEMA 101 Precalculus).

Students will be placed in mathematics courses based on their placement exam results. These results may indicate that students need to take one or more Prerequisite courses prior to those mathematics courses specified for their major. Therefore, the number and sequence of courses students will complete in mathematics will be determined by their test results and major requirements. Students may not enroll in any mathematics course for which they are not qualified. Students need not re-take the placement exam before every course.

Students should schedule a placement exam at least six weeks prior to course registration.

Official CHC Email

Every currently enrolled student is entitled to a "@chc.edu" email account. As part of the College's Mission to respect our resources, many previously paper-based processes are now conducted electronically. It is the student's responsibility to make sure all messages sent to the official @chc.edu email account are read in a timely manner.

Course Agreements with Other Institutions

Matriculated students in the School of Continuing and Professional Studies may register for undergraduate courses through the Council of Independent College's Online Course Sharing Consortium (CIC-OCSC). Presently, over 300 private colleges and universities currently share nearly 6,000 courses through the CIC-OCSC and this cross-registration program is designed to provide increased educational opportunities for students of any member institution. Through this program, students have the option to take courses that are not being offered at their home campus and to do so in an online environment. By offering courses within CIC-OCSC, students and the College are assured that they are working with courses and faculty at other institutions that share similar curricular goals, philosophies of education, standards of academic quality, and a commitment to the liberal arts. Additional online learning opportunities are available through the Online Consortium of Independent Colleges and Universities (OCICU).

Prior Learning Assessment (PLA)

The Accelerated Adult Degree Program offers several options for students to earn credit for prior learning. These include the following:

Portfolio Assessment

Students who have acquired knowledge through prior experience may apply for credit through portfolio assessment. Designed for the highly self-directed learner, this process demands rigorous self-assessment, critical analysis of the level of learning acquired, work samples and/or exhibits, third-party verification, and other documentation. Well-documented college-level learning can earn up to fifteen college credits after the successful completion of fifteen credits in the Accelerated Adult Degree Program with a cumulative 3.50 GPA and prior to the last fifteen credits required for the degree. Students who wish to apply for portfolio assessment should contact SCPS Administrator.

Credit by Examination Options

Advanced Placement

Students may receive transfer credit for Advanced Placement Exams that were previously taken.

College-Level Examination Program (CLEP)

The Accelerated Adult Degree Program recognizes fifteen approved CLEP credits at the ACE recommended level. Each CLEP examination is equivalent to one three-credit course. Credit for CLEP will be given after a) having earned fifteen credits in the Accelerated Adult Degree Program, and b) students are advised to take CLEP(s) prior to registration for the final fifteen credits required for the degree. CLEP credits are recorded on the academic transcript as transfer credits and not calculated in the cumulative GPA.

Challenge Examination

AADP students may challenge up to twelve credits in four approved courses after the successful completion of fifteen credits in the Accelerated Adult Degree Program with a cumulative 3.50 GPA. Students may not challenge a previously failed course, computer application courses, or Mathematics for Business I and II. All Challenge Examinations must be completed prior to registration for the final fifteen credits required for the degree. Challenge Examinations are credits earned in Chestnut Hill College's Accelerated Adult Degree Program and grades are calculated in the cumulative GPA; a grade of "C" or above must be achieved for credit to be awarded.

Other prior learning experiences are evaluated based on the recommendations and/or accreditations of the following national organizations or programs:

> (ACT/PEP) American College Testing's Proficiency Examination Program (DANTES) Defense Activity for Non-Traditional Education Support – Training and education offered through the Armed Services is evaluated by the American Council of Education (ACE) (ACE/CREDIT) Program on Noncollegiate Sponsored Instruction

Permission to Take Courses at Another Institution

Students who wish to take courses at other colleges or universities must have the courses approved by The SCPS Administrator. Transfer credits will be awarded for only those courses in which a grade of C or better has been earned. All transferred courses are recorded with a grade of TR-Transfer. It is the student's responsibility to ensure that a final, official copy of the transcript is received in the Associate Registrar's Office. No credit will be given for any course unless the final, official transcript is received. Students are not permitted to take courses to replace a failed course.

Release of Grades

Collection and reporting of AADP course grades is the responsibility of the Associate Registrar's Office. Grade reports are available to current students via the My CHC Portal – my.chc.edu. Former students and alumni wishing to view their grades must request an official transcript.

Repeat Course Policy

If a student fails a course and then repeats it with a passing grade, both the original failure and the repeated grade appear on the transcript, but only the higher grade is used in the calculation of the cumulative grade point average. If a student fails a course that she/he has failed before, only one failure is calculated on the transcript. Ordinarily, students may repeat a course only once, but in case a student twice fails a course required for graduation, the student may petition the PHMC Grant/School of Continuing and Professional Studies Administrator for approval to take the course a third time.

Any course in which a "D" or "D+" was recorded may be repeated once with the permission of the PHMC Grant/School of Continuing and Professional Studies Administrator. Both grades will be recorded on the transcripts but only the higher grade will be used in the calculation of the cumulative grade-point average. Any course in which a grade of "C-" or higher was recorded may not be repeated to raise the cumulative GPA.

Policy on Sex Discrimination, Sexual Harassment and Sexual Violence

Chestnut Hill College values appropriate relationships, respect for all and shared responsibility. Therefore, Chestnut Hill College is committed to fostering an educational and working environment that is free from sexual harassment and sexual violence. In recognition of and respect for the dignity of all at Chestnut Hill College, sexual misconduct in any form, cannot, and will not, be tolerated. Additionally, Discrimination or harassment on the bias of sex is a violation of Section 703 of Title VII of the l964 Civil Rights Action and Title IX of the Educational Amendments of 1972. The College's full policy on Sex Discrimination, Sexual Harassment, and Sexual Violence is regularly updated and reviewed, and can be found online at https://www.chc.edu/safety-and-security/sexual-harrassment-and-sexual-violence-policy

School Closing Information

Weather-related delays or closings will be announced using the College's Emergency Notification System. Enroll for notifications at: https://www.chc.edu/safety-and-security/emergency-and-closing-notifications

When adverse weather conditions develop during the day, the College will make a decision to move to remote delivery or cancel in-person evening classes no later than 3:00PM. This information will be made available through the College's Emergency Notification System, via e-mail, on the College's website.

Evening classes scheduled in-person at off-site locations will be cancelled if CHC and/or the off-site locations close. If the College is open, faculty, staff and students are expected to report to campus. However, due to regional differences in weather conditions, your safety and welfare are paramount. Please take appropriate precautions, when necessary.

Student Concerns

Chestnut Hill College has procedures for resolving student concerns. Issues about, for example, expectations outlined on a course syllabus, faculty performance, or final grades should be discussed directly with the faculty member. If the situation is not resolved, a written letter and/or email to the SCPS Administrator may be submitted, or a student may utilize the recommendations section of the Course Evaluation form distributed at the end of each course. A student appealing a grade should follow the Grade Appeal Policy.

Concerns about institutional policies or procedures should be directed in writing to the SCPS Administrator.

Student/Institution Relationship

A student's enrollment at Chestnut Hill College is a voluntary decision that involves acceptance of the responsibility to meet academic requirements, adhere to policies and procedures and to act in ways consistent with the mission of the College and civil law. Conduct that threatens or endangers the health or safety of any person on college premises, verbal or written harassment, intentional obstruction or disruption of teaching, administration or other college activities may result in disciplinary action up to and including dismissal from the program. Students remain responsible for all tuition and fees. In addition to the policies, professional standards, and expectations outlined in the SCPS/AADP Catalog, all students are expected to behave in ways consistent with the College mission and to abide by the Student Code of Conduct, as outlined in the Student Handbook. Violations of the Student Code of Conduct may result in disciplinary proceedings. Findings of responsibility in a disciplinary proceeding may result in the imposition of sanctions. Please refer to the Student Handbook for additional information on these policies and procedures: https://www.chc.edu/student-handbook.

Student Participation in Assessment Research

Ongoing assessment of student learning is expected of all colleges and universities. Assessment projects search for evidence of the effectiveness of various instructional techniques and educational experiences by using such tools as surveys, interviews, focus groups, and/or samples of student work. Student participation in assessment surveys, interviews, and/or focus groups is voluntary. All work submitted by a student in fulfillment of course and/or program requirements is considered available for assessment research purposes unless the student specifically requests otherwise. Along with the work, written notice of this request must be submitted to the course instructor. Students will never be individually identifiable in any assessment report.

Transfer Policies and Procedures

Chestnut Hill College will accept 75 transfer credits provided the courses meet the criteria outlined below. Students must complete a minimum of 45 academic credits at Chestnut Hill College to earn a degree. With the exception of those students who enter through a partnership agreement, students who transfer to Chestnut Hill College's AADP must complete half of the major courses at Chestnut Hill College in order to be awarded the College's degree. Students must also meet all applicable Core Liberal Arts, Major Requirements and Electives as outlined in this catalog, which may require them to complete more than 45 academic credits.

In order for a course to be accepted in transfer, it must meet the following criteria:

- the student earned a grade of C (2.0) or better; the course is applicable to a curriculum offered by the School of Continuing and Professional Studies;
- an official transcript has been provided and the course was completed within ten (10) years prior to Chestnut Hill College admission or readmission. These courses are evaluated on an individual basis;
- only the credit is transferred and grades for these courses are not calculated into the cumulative GPA.

Courses completed at non-regionally accredited institutions, and which have not been evaluated by ACE are subject to the following conditions:

- A sub-committee of the Articulation Committee, composed of the faculty members and a representative of the Registrar's Office, will determine whether or not the course is on the required level for college credit.

- The appropriate department will then determine the equivalency and applicability of the course for its program, or its qualification as a free elective.

- If the course does not belong in any Chestnut Hill College department, the committee will make the final decision.

An additional review is required for any course taken more than ten (10) years prior to admission. Some departments may require review if courses were taken less than 10 years prior to CHC admission. The individual department will make all final decisions regarding the allocation of credits. Students may be required to provide course descriptions and/or syllabi.

The Registrar's Office will provide a written evaluation of all courses according to credit transfer guidelines. International students need to submit a complete set of academic credentials in English translation.

Weapons Policy

Chestnut Hill College is committed to providing educational services in a safe and secure environment. All members of the College community, including faculty, staff, students, contracted employees, contractors and vendors, as well as visitors to Chestnut Hill College, are prohibited from possessing firearms, explosives or Weapons (hereafter collectively referred to as "Weapons") on the premises of the College or in any building under College control or at any College–sponsored event without the explicit authorization of Chestnut Hill College, whether or not a federal or state license to possess the same has been issued to the possessor.

Withdrawing From a Course

All course withdrawals must be request in writing. An e-mail is acceptable only in the case of course withdrawals provided the e-mailed request contains all pertinent information, including student name, student ID number, course name, course number, and date of request. Students should consult the Academic Calendar for the last day to withdraw from courses without academic penalty. If a student withdraws before the last day to withdraw, she/he will be given a grade of "W." Withdrawal after the designated withdrawal date results in Withdrawal Failure ("WF"). **Any course withdrawal that is submitted on or after the first day of the session in question will be subject to partial tuition charges.** The withdrawal refund policy is shown on the Tuition and Fees schedule and the Academic Calendar.

Withdrawal from a course(s) may affect a student's current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short- and long-term consequences of a withdrawal.

Please note: Not attending class or notifying the instructor does not constitute an official withdrawal; such action will result in a failing grade ("F") for the course in which the student was enrolled and full tuition charges.

Administrative Withdrawal Based on Attendance

The SCPS Administrator's Office in conjunction with the Registrar's Office has the authority to withdraw a student who is not attending any of his or her courses.

Administrative withdrawals based on attendance occur under two circumstances:

- A student never attended any of his or her courses: **The Registrar's Office may initiate the Administrative Withdrawal when notified that a student never attended one or more of his or her courses during the first two weeks of the session. Any student reported by an instructor to the School of Continuing and Professional Studies (SCPS) as not attending his/her first course will be investigated. The SCPS office will contact the student about his or her registration status. If contact cannot be made in a week's time of the non-attendance report, the student will be dropped from the course. The Registrar's Office will e-mail the student notifying him or her of this action. The students' course/s will be retroactively dropped.**

- A student stopped attending all of his or her courses: **The Registrar's Office may initiate the Administrative Withdrawal when they are notified by individual instructors that a student has not attended his or her course for two consecutive weeks. The SCPS Office will contact the student about his or her registration status. If contact cannot be made in a week's time of the report, the student will be withdrawn from all courses. The Registrar's Office will e-mail the student notifying him or her of this action.**

Any student receiving financial aid who is thus withdrawn from the College will have his/her financial aid award for the respective semester cancelled or adjusted, based on the date the Registrar's Office initiated the Administrative Withdrawal. The student will be responsible for any applicable charges. The College refund policy applies to administrative withdrawals. Please note if a student's official withdrawal date is after the Withdrawal without Failure deadline, the student will receive WFs on his or her transcript.

Students who wish to appeal their administrative withdrawal may do so within the semester in which the withdrawal occurs. Appeals are made in writing to the SCPS Administrator before the end of the semester. Students must present appropriate documentation sufficient to establish grounds for the appeal. The SCPS Administrator's decision is final.

NOTE: If a student decides to discontinue one or more courses, after the first two weeks, but not all, he or she is responsible for following the normal withdrawal procedures through the Registrar's Office. The Administrative Withdrawal process is only applicable to students who do not attend any of their courses.

Withdrawal on Probation

Students who are on academic probation may apply in writing to the SCPS Administrator for permission to withdraw voluntarily from the program. Permission will ordinarily be given if the student has resolved all financial indebtedness to Chestnut Hill College. If a

student has withdrawn on probation and wishes to return to Chestnut Hill College's Accelerated Adult Degree Program, she/he must apply in writing to the SCPS Administrator.

FINANCIAL INFORMATION

Office of Student Financial Services: Student Accounts & Financial Aid

Student Accounts:
St. Joseph Hall, 1ˢᵗ Floor
Telephone: 215-248-7116. Email: accounts@chc.edu

Students may make payments on their account and receive information about their account in the Student Accounts Office, located on the first floor of St. Joseph Hall. The Student Accounts Office hours are as follows:

> Monday-Thursday 9:00 A.M.-5:00 P.M.
> Friday 9:00 A.M.-4:00 P.M. *
> *Summer Friday Hours: 9:00 A.M. to 1:00 P.M.

Payment of Bills

By act of registration, students accept responsibility to pay the charge for the entire session of enrollment, regardless of the method or source of payment. All students are required to complete a Student Financial Responsibility Agreement as part of the New Student Guide and annually thereafter. This agreement outlines the student's financial responsibility to the College with regard to registration, room/board, collection fees, etc. Payment for courses and related fees in the Accelerated Adult Degree Program is due by August 1st for the fall semester, by January 2 for the spring semester, and by May 1st for the summer semester. Chestnut Hill College accepts cash, money order, certified checks, Visa, MasterCard, Discover and AMEX as forms of payment. Certified checks or money orders may be mailed to the following address:

> Chestnut Hill College
> PO Box 12536
> Newark, NJ 07101-3556
> Please include the student ID number on all payments.

Chestnut Hill College offers an interest-free Monthly Payment Plan through Nelnet. There is a $75.00 enrollment fee, and students can enroll in a range of plans for each semester they are enrolled. More information and enrollment can be completed at: www.mycollegepaymentplan.com/chestnut. Failure to make a payment on schedule may result in the total balance becoming due immediately with a late payment fee and/or a service charge of 1.5% of the outstanding balance added per month.

Consequences of unpaid bills

The College reserves the right to withhold registration materials, transcripts, diplomas, and all other information regarding the record of any student who is in arrears in the payment of tuition, fees, or any other amounts due the College. This

includes unpaid parking or library fines. A student may be dismissed from the College for continued delinquency of financial obligations. Unpaid bills may be turned over to a collection agency. Collection costs and/or other finance charges must be paid by the student, in addition to the unpaid amount, before the College will release grades or transcripts.

Business Hold

Students with delinquent accounts are placed on business hold and are prevented from registering for future classes, receiving course grades, receiving copies of official or unofficial transcripts, or participating in commencement ceremonies until they have made satisfactory arrangements to satisfy their accounts. A student may be dismissed from the College for continued delinquency of financial obligations. Students on business hold should contact the Office of Student Accounts immediately to satisfy their remaining balance. A student may be placed on business hold at:

Beginning of Session – For failure to make payment in full or to make satisfactory arrangements to pay the semester's bill. Students in this category cannot attend classes until the Office of Student Accounts approves financial arrangements for the session.

During Session – For defaulted or late payment on terms arranged at the beginning of the session. Students in this category cannot register for the following session, receive grades or transcripts and may be prevented from taking tests, attending classes or graduating. Students should contact the Office of Student Accounts immediately if they have not met their financial obligations as agreed upon at the beginning of the session.

Students will be removed from business hold when their bills are fully paid or addressed in a satisfactory manner, as agreed upon and approved by the Office of Student Accounts. Written confirmation of removal from business hold must be provided to the Accelerated Office before you can be registered for courses.

Tuition

The tuition charge is uniform for all Accelerated Adult Degree Program students, regardless of the major being pursued. Tuition for 2023-2024 is $560.00 per credit.

Course Fees

Additional operating costs involved in offering certain courses require that a course fee be charged. In general, course fees are charged on a per course basis.

Parking Permit

All students attending classes, workshops, seminars, and special sessions are required to purchase and display a valid parking permit while parking on the campus of Chestnut Hill College. All students parking on campus are required to purchase a parking permit regardless of the number of courses they may be taking per semester. Each parking permit runs from September 1 through August 31 of the following year.

The purchase of a parking permit does not guarantee a parking space on campus, but it does permit students to park in authorized areas on a first-come, first-served basis.

Permit Costs: The fee for the 2023-2024 parking permit is $150.00 plus a $5.95 handling fee. Permits can be obtained online at chc.thepermitstore.com (Note: You will need your car registration.).

It is the student's responsibility to be aware of and comply with all parking policies and procedures as reflected in the parking brochure. Students are responsible for any fines that result from parking in an unauthorized area, as defined by the parking brochure, or from not displaying or obtaining a parking permit. The College reserves the right to withhold registration materials, transcripts, diplomas, and all other information regarding the record of any student who is in arrears in the payment of tuition, fees, or any other amounts due the College. This includes unpaid parking fines.

A Chestnut Hill College education is one of the best investments one can make for the future. In fact, a college degree puts a graduate on both the path to a more satisfying career and, as numerous studies have shown, a more lucrative pay scale. The College offers federal/state financial aid and other payment options to help our students reach their educational goals. The College prides itself on striving to be affordable for all academically qualified students who wish to attend. Student Financial Services offers individualized guidance so that each student understands all of the financial options.

Although the primary responsibility for meeting college costs rests with the student and their family, Student Financial Services can help design a financial strategy that will make a degree from Chestnut Hill College affordable. Student Financial Services will develop a personalized financial aid package that will offer assistance with educational expenses. With a combination of financial aid from federal and state we hope to help all eligible students take advantage of the College's high quality academic experience.

The professional staff in the Financial Aid Office are ready to assist with the financial aid process and is open to students during the following hours:

> Monday-Thursday 9:00AM-5:00PM*
> Friday 9:00AM-4:00PM **
> *

Definition of an Academic Year

The Financial Aid Office uses a standard academic year that spans two enrollment terms (semesters). These two terms total at least 30 weeks of instruction. A full-time student is expected to complete at least 24 credits during an academic year.

The standard academic year starts with the fall semester and finishes at the end of the spring semester. Summer sessions may be added to the end of the standard academic year. The 2023-2024 standard academic year begins on August 28, 2023 and ends April 27, 2024. The summer session begins April 29, 2024 and ends August 17, 2024.

Lending Code of Conduct

Chestnut Hill College is committed to providing students and their families with the best information and processing alternatives available regarding student borrowing. In support

of this, and in an effort to rule out any perceived or actual conflict of interest between College officers, employees or agents and education loan lenders, Chestnut Hill College has adopted the following:

- Chestnut Hill College does not participate in any revenue-sharing arrangements with any lender.
- Chestnut Hill College does not permit any officer, employee or agent of the school who is employed in Student Financial Services or is otherwise involved in the administration of education loans to accept any gifts of greater than a nominal value from any lender, guarantor or servicer.
- Chestnut Hill College does not permit any officer, employee or agent of the school who is employed in Student Financial Services or is otherwise involved in the administration of education loans to accept any fee, payment or other financial benefit (including a stock purchase option) from a lender or affiliate of a lender as compensation for any type of consulting arrangement or contract to provide services to a lender or on behalf of a lender relating to education loans.
- Chestnut Hill College does not permit any officer, employee or agent of the school who is employed in Student Financial Services or is otherwise involved in the administration of education loans to accept anything of value from a lender, guarantor, or group of lenders and/or guarantors in exchange for service on an advisory board, commission or other group established by such a lender, guarantor group of lenders and/or guarantors.
- Chestnut Hill College does allow for the reasonable reimbursement of expenses associated with participation in such boards, commissions or groups by lenders, guarantors, or groups of lenders and/or guarantors.
- Chestnut Hill College does not assign a lender to any first-time borrower through financial aid packaging or any other means.
- Chestnut Hill College recognizes that a borrower has the right to choose any lender from which to borrow to finance his/her education. Chestnut Hill College will not refuse to certify or otherwise deny or delay certification of a loan based on the borrower's selection of a lender and/or guarantor.
- Chestnut Hill College will not request or accept any offer of funds to be used for private education loans to students from any lender in exchange for providing the lender with a specified number or volume of Title IV loans, or a preferred lender arrangement for Title IV loans.
- Chestnut Hill College will not request or accept any assistance with call center or Student Financial Services staffing.

Financial Aid Status for Accelerate Adult Degree Students

Accelerated Adult Degree Program sessions are Fall 1, Fall 2; Spring 1, Spring 2; Summer 1 and Summer 2. The traditional fall semester is the equivalent of Accelerated sessions Fall 1 and Fall 2. The traditional spring semester is the equivalent of Accelerated sessions Spring 1 and Spring 2. The traditional summer semester is the equivalent of Accelerated sessions Summer 1 and Summer 2.

To be considered a full-time student for federal financial aid purposes, a student must be enrolled in a minimum of 12 credits per semester (through a combination of sessions) Fall 1 and Fall 2; and/or Spring 1 and Spring 2; and/or Summer 1 and summer 2). In other words, to be considered for full-time federal financial aid, students must enroll in two classes each eight-week session during both fall sessions; and/or both spring sessions; and/or both summer sessions.

Enrolling in nine, ten or eleven credits per semester (both fall sessions; and/or both spring sessions; and/or both summer sessions) attains 3/4 time status. Enrolling in six, seven or eight credits per semester attains 1/2 time status for financial aid purposes. Generally, students must take a minimum of six credits per semester to be eligible for federal financial aid. Part-time federal financial aid is available for qualified students taking classes at 3/4 and ½-time status.

Please note that financial aid is based on the number of credits taken for each semester, as defined above. Failure to enroll for the number of credits will result in a reduction in financial aid and could result in the required return of Title IV aid, as described below. Students should contact the Financial Aid Office with any questions regarding changing the number of credits enrolled per semester.

Applying for Financial Aid

Applying for financial aid is easy at Chestnut Hill College. All students complete the online Free Application for Federal Student Aid *(FAFSA.)* The FAFSA is available online on October 1st for the next academic year. **A completed FAFSA is due each academic year by June 30th and is available by going to** https://studentaid.gov/. Be sure to include Chestnut Hill College's **Federal School Code of 003245** on your application. *Chestnut Hill College's priority deadline for filing your FAFSA is March 15th. Filing after this day will delay packaging.*

The FAFSA must be completed for each academic year that the student is enrolled.

When Is My FAFSA Deadline?

Academic year	FAFSA open date	Federal FAFSA deadline
2023-2024	Oct. 1, 2022	June 30, 2024 *

* The FAFSA must be received prior to the last day of the spring term for students requesting aid for the Fall/Spring 2023-2024 academic year.

Students must review and accept their financial aid prior to the start of each academic year on the financial aid portal and submit any document needed in the documents section to finalize their financial aid. Students also may notify the financial aid office of their enrollment plans when accepting aid on the portal. Documents may include (but not limited to) income or identity verification needed to establish aid eligibility.

Any student that is interested in obtaining a Federal Direct Loan must also complete a Master Promissory Note (MPN) and Entrance Counseling (EC). The MPN is a multi-year promissory note that can be used for an entire collegiate career. The MPN is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s). The entrance counseling process provides you with a full understanding of your rights and responsibilities when borrowing from the Federal Direct Loan program.

Financial Aid for Summer Sessions

Accelerated Adult Degree Program students may take courses year-round. A number of financial aid options are available to finance summer enrollment expenses.

1. Direct Loan 3-Disbursement Option-When a student's financial aid package is created, Federal Direct Loans will be packaged and disbursed in three installments. In the three-disbursement option, one-third of direct loans will be disbursed during each of the following semesters: fall, spring, summer. A student may elect to have their direct loans disbursed twice during the academic year; one-half of direct loans will be disbursed during each of the fall and spring semesters. When choosing this option, funds will not be available from direct loans during the summer sessions. Arrangements for summer tuition cost payment should be made through the Student Accounts Office. Choice of disbursement can be requested when completing your aid acceptance on your myCHC portal.

2. PHEAA Summer State Grant-Students can apply for the PHEAA Summer State Grant online at pheaa.org. Eligibility requirements are also outlined on the website. One application is completed, PHEAA notifies students directly concerning Summer State grant eligibility. To qualify for a PHEAA Summer State grant, students must be enrolled in at least 15 weeks per semester/term with at least a half-time enrollment status six (6) credits per semester/term. This can consist of three (3) credits in summer 1 and three (3) credits in summer 2, for a total of six (6) credits for the summer term.

3. Private Alternative Education Loans-Various alternative loan programs are available from private lenders to help students with educational expenses throughout the academic year. Most of these loans are credit based and may require a cosigner depending on credit history. If you require additional information regarding a private alternative loan, please contact Student Financial Services.

Verification

Verification is a random selection by the Federal Department of Education by which some students/families are required to provide certain documentation to support data elements on the FAFSA, primarily income and family size.

Required documentation for verification will be listed on the students MyCHC under Financial Aid Required Documents.

Students selected for verification will be notified by the Office of Financial Aid. Students will have 45 days from the time of notification to submit all appropriate documents to the Office of Financial Aid or risk losing all federal financial aid.

No funds will be credited until the verification process is completed. Should verification result in a change in financial aid, the student will be notified via a revised award letter.

Please Note: The Department of Education (DOE) recognizes the need to continue to provide relief to millions of students and colleges facing challenges and barriers resulting from the ongoing national emergency. Therefore, certain verification requirements for the 2022-2023 award year will be waived. However, this does not exempt institutions from requirements to resolve conflicting information concerning a student's eligibility.

Acceptable documentation may include; a signed copy of the 2020 income tax return

that the tax filer submitted to the IRS or other tax authorities. Non-Tax Filers: For independent students, and parents of dependent students, who did not file and are not required to file an income tax return, you may be required to obtain a Verification of Non-Filing (VONF) from the IRS or other tax authorities.

No awarded Federal Financial Aid funds can be credited to the account until the verification process is complete. Should verification result in a change of awarded financial aid, the student will be notified via a revised award letter.

Adjustments to Financial Aid

All financial aid awards are subject to change due to (but not limited to) change of the student's enrollment, housing, educational cost, withdrawal or dismissal, or the inclusion of additional financial aid from any source. Students are obligated to notify the Office of Financial Aid of any educational funding that is not listed on their award notice. The inclusion of such aid may cause a current financial aid award to be revised.

Statute of Limitations

The Office of Financial Aid cannot guarantee the receipt of any financial aid from a FAFSA that is submitted within the last month of any semester or payment period.

Title IV Financial Aid Refund Policy

Overview

Federal financial aid ("Title IV funds") is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. **When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive.**

According to federal regulations, the Financial Aid Office must recalculate Federal Title IV financial aid eligibility for students who withdraw from all classes, drop out, are dismissed, or take a leave of absence prior to completing more than 60% of a quarter/semester. Federal Title IV financial aid and all other aid are viewed as 100% earned after that point in time. Recalculation is based on the percentage of earned aid using the following Federal formula: Financial Aid determines the length of the scheduled term dates as defined by the Academic Calendar beginning from the first day of classes and ending on the last day of scheduled final exams for that term. The percentage of the payment period is the number of calendar days completed up to the student's withdrawal date. The number of calendar days completed is divided by the total calendar days in the payment period or term. Any break of five *consecutive* calendar days or more is not counted as part of the total days in the term. *Calendar days are inclusive of weekend days.* The calculated percentage is the percentage of earned aid.

Withdrawal date is defined as the actual date the student began the institution's withdrawal process, the student's last date of recorded attendance, or the midpoint of the quarter/semester for a student who leaves without notifying the institution. Chestnut Hill is required to perform a Return to Title IV Calculation (R2T4) within 30 days of a student's official withdraw date. The Federal Title IV programs covered under this policy include Federal TEACH Grant, Federal Pell Grant, SEOG, Federal Perkins Loans, Federal Direct Loans, and Federal PLUS Loan (Graduate Student or Parent).

Effective July 1, 2021 any student enrolled in a program offered in modules is considered withdrawn when in a credit hour program, the student does not complete all the days in the payment period or period of enrollment that the student was scheduled to complete, and are subject to a Return to Title IV (R2T4) withdrawal calculation.

A student enrolled in a program offered in modules is not considered withdrawn if:

- The Office of Student Financial Services obtains written confirmation that the student will attend a later module in the same payment period or period of enrollment (Intent to Enroll in Future Courses form can be found here);

- The student completes the requirements for graduation;

- The student completes one or more modules that, together, comprise at least 49% of the days in the payment period; or

- The student completes coursework equal to or greater than the coursework required for half-time enrollment.

Also, all Chestnut Hill institutional funds are subject to return based on the tuition refund percentage amount as published in the Academic Calendar. For example: if a student withdraws and owes 40% of the semester's tuition, 40% of the Chestnut Hill funding will be retained to help pay the student's remaining tuition bill. These funds are inclusive of [but not limited to] merit scholarships, CHC scholarships/grants, endowed scholarships, departmental scholarships, and athletic scholarships. Returns of institutional funds are required for all withdrawals **(voluntary or administrative).**

The school returns "unearned" Title IV funds that have been paid to the school to cover the student's institutional charges received from Title IV grant and/or loan programs. No additional disbursements may be made to the student for the payment period.

Return of Funds

Federal Title IV financial aid is returned in the order mandated by the U.S. Department of Education. No program can receive a refund if the student did not receive aid from that program. Funds must be returned within 45 days after the date of withdrawal determination. Return of funds required by the student for unearned aid is returned (repaid) in accordance to the terms of the loan on the promissory note. The order is as follows based on aid offered at Chestnut Hill College:

1. Unsubsidized Direct Stafford Loan
2. Subsidized Direct Stafford Loans
3. Perkins Loan
4. Direct PLUS (Graduate Student or Parent)
5. Pell Grant
6. FSEOG
7. TEACH

Post-Withdrawal Disbursements

If it is determined that a student is eligible for Federal Title IV financial aid funds that have not been disbursed, grant funds that the student is eligible for will be disbursed first. Federal aid that the student is eligible for will be credited to the student's account for outstanding charges. If the student has no outstanding charges or if there is a balance due the student after disbursement, Chestnut Hill College will notify the student of his/her eligibility for the loans [if applicable] in writing. The student must respond within 14 days of the date of the letter as to whether they want all, part, or none of the loan(s). If the student fails to respond within 14 days, no post-withdraw disbursement of the loan will be made.

Determination of Withdraw Date

The withdrawal date used in the return calculation of a student's federal financial aid is the actual date of the student's formal withdraw from the College or the date that the student initiates the withdraw process, whichever occurs first. If a student stops attending classes without notifying the College, the withdrawal date will be the midpoint of the semester or the last date of academic activity determined. Additional documentation supporting the last date of academic activity may be provided by the student if they verify a later date of attendance than determined by the College. If a student receives financial aid, but never attends classes, the Financial Aid Office must return all disbursed funds to the respective federal and institutional aid programs.

Who Receive All Failing Grades at the End of a Term (Semester)

Financial aid is awarded under the assumption that the student will attend Chestnut Hill College for the entire term for which financial assistance was disbursed. When the student has a combination of fail and withdraw grades for the term, Chestnut Hill College must consider the student as an unofficial withdrawal until determined otherwise. When the student has failed to earn a passing grade in *at least one class* for the term, federal regulations require the school to determine whether the student established eligibility for funds disbursed by attending at least one class or participating in any College academic-related activity. If the school cannot verify that the student attended Chestnut Hill, all financial aid must be repaid to the federal, state, and institutional programs. The student's account will be charged and the student will be responsible for any balance due.

Chestnut Hill will automatically determine the unofficial withdraw date as mid-point date in the semester or the last date of academic activity that the College can confirm for the student (whichever is the latter), and perform a Return to Title IV (R2T4) Calculation. Any relevant federal, state, and institutional funds will be returned to the respective programs, and the student will be responsible for any balance due to Chestnut Hill.

If the student can prove to have participated in a Chestnut Hill College class or academic-related activity past the 60% date, the student will not be required to return any disbursed financial aid.

Students who can verify attendance beyond the College's records will be required to submit supporting documentation to the Financial Aid Office. The student must submit supporting documentation **within 30 days** from the last date of the term. Recalculations for aid eligibility will not be performed for documentation received after that date.

Return of Title IV Funds — Modular Programs

Overview

These regulations aim to provide for more consistent and equitable treatment of students who withdraw from a program measured in credit hours, regardless of whether courses in the program span the entire term or consist of shorter modules or 'sessions. Students in the following programs will be impacted:

- Students in the School of Continuing & Professional Studies program
- Graduate Students who are enrolled in coursework that fall under the Accelerated Schedule as defined in the Graduate Catalog

Regulatory Requirements:

A student is considered to have withdrawn from a semester in which the student began enrollment if the student withdraws from any scheduled courses or 'sessions' without completing:

- All of the days the student was scheduled to complete in the semester, in a credit-hour program.
- However, if a student provides written confirmation (Confirmation of Future Enrollment Form through Chestnut Hill College's Financial Aid Office at the time of withdrawing from a session stating that the student *plans to attend* another session later in the same semester, that student is not considered to have withdrawn.
- If a student does not resume attendance within the scheduled timeframe, the student is considered to have withdrawn as of the date on which attendance ceased.
- If a student does not provide written confirmation of plans to return to school later in the same term (semester), Chestnut Hill's Financial Aid Office must consider that student to have withdrawn and will perform a Return to Title IV (R2T4) calculation to determine if any funds must be returned. However, if the student does return to school in the same semester — even if the student did not provide written confirmation of plans to do so — the student is not considered to have withdrawn and the school must reverse the R2T4 process and provide any additional funds the student is eligible to receive at the time of return.

Chestnut Hill College Funds

Chestnut Hill College funds, both merit awards and need-based grants, are retained at the same percentage rate that tuition is retained. For example: if a student withdraws and owes 40 percent of the semester's tuition, 40% of his/her Chestnut Hill funding will be retained to help pay down the student's remaining tuition bill.

PHEAA State Grant

The PHEAA State Grant is retained at the same percentage rate that tuition is retained, similar to Chestnut Hill funds.

Satisfactory Academic Progress

Statement of Purpose: Students are required to maintain Satisfactory Academic Progress (maintain academic standing and make adequate progress towards degree completion) to retain eligibility for financial aid, including Title IV funding: Direct loans (student and parent loans), Pell grant, FSEOG grant, Federal Work-Study, State, and Institutional Aid. Per federal regulations, Chestnut Hill College will review Undergraduate students' academic records annually (at the end of each spring semester) to determine if students are able to retain eligibility for financial aid. Both full-time and part-time Title IV and non-Title IV recipients are subject to the Satisfactory Academic Progress (SAP) policy. *Students enrolled less than full-time must notify the Office of Financial Aid and may be subject to reductions in financial aid.*

To continue receiving financial aid, a student must meet minimum Satisfactory Academic Progress (SAP) guidelines as outlined below:

Quantitative Measure (Pace):

a. **To remain in good academic standing and retain eligibility for financial aid**, students must successfully complete at least *two-thirds of all hours attempted (or 67%),* **including Pass/Fail, repeated courses, incompletes, and courses dropped after the last day to drop a course without penalty (as published in the academic calendar).**

b. **For undergraduate programs of study, the** maximum time frame **for receiving federal financial aid must be no longer than 150% of the published length of an educational program. At Chestnut Hill College, it typically takes 120 credits hours to receive a degree; therefore, students are allowed up to 180 attempted hours (including all transfer hours accepted toward completing a student's program) to be considered for federal financial aid. *The maximum time limits include all hours attempted regardless of whether or not financial aid was received.***

   Example: 120 credit Bachelors' degree x 150% = 180 credits. Students will be ineligible for financial aid if they attempt more than 180 credits.

c. **Courses that are being repeated are counted as attempted hours for financial aid purposes, but only *one* passing grade is counted towards the Career Earned Credits. Enrollment status for any semester (i.e., full-time, half-time) related to Financial Aid eligibility may be impacted as a result of repeating courses. Please check with Financial Aid before repeating a course for which you have already received a passing grade and only wish to improve the grade.**

d. **Please note that grades of *W* (Withdrawal), *WF* (Withdraw Failing), and *Grade+N* are not considered satisfactory completion of a course and are <u>not earned</u> hours. They will, however, count as attempted hours. Courses with a grade of *P, I, PI, W, AU,* or *NR* are not calculated in either the Term or Career GPAs, nor are any credits passed calculated in Earned Credits. The credits are,**

however, calculated in the Attempted Credits total. Courses with a grade of *Grade + #* are not calculated in either the Term or Career GPAs; however, credits are calculated in the Attempted Credits total and the Earned Credits total if the course was completed successfully. Courses with a grade of *TR* are not calculated in either the Term or Career GPAs but are counted in both Attempted and Earned Credits. Incompletes (I) are counted as attempted if the final grade has not yet posted and earned hours once the final grade has been assigned to the course in question.

The following chart demonstrates examples of a student's required ratio of attempted hours to earned hours to be considered as progressing toward degree completion within the maximum 150% limit.

When total hours attempted are:	Students must have earned at least:
35 hours	24 hours
64 hours	43 hours
95 hours	64 hours
125 hours	84 hours
155 hours	104 hours

e. <u>Transfer Students:</u> **Transfer students are evaluated based on the number of hours accepted by Chestnut Hill College. Once the College has evaluated transfer credit, and the student has been awarded credit hours, then that student will fall under the exact quantitative and qualitative requirements as previously mentioned based on that designated classification. Transfer grades are not factored into the student's cumulative GPA for SAP proposes, but the overall hours attempted and hours earned (quantitative measures) do fall under the standards for SAP. The maximum time limits for eligibility for federal financial aid also apply to transfer students based on the number of credits accepted by Chestnut Hill College.**

2. <u>Qualitative Measure (GPA):</u> **Students must maintain the following minimum cumulative grade-point average on all earned hours:**

For hours earned:	A minimum GPA must be maintained:
24 credits or less	1.65
>24 to <60	1.85
60+	2.0
Graduate Students	3.0

Specific academic awards and some endowed scholarships may require higher academic performance than this Satisfactory Academic Progress (SAP) policy.

A typical full-time student in the School of Undergraduate Studies completes a minimum of 15 academic credits per semester:

Year	Semester	Career Academic Credits Earned	Minimum CGPA
First	1	15	1.65
First	2	30	1.85
Second	3	45	1.85
Second	4	60	2.00
Third	5	75	2.00
Third	6	90	2.00
Fourth	7	105	2.00
Fourth	8	120	2.00

Maximum Pell Grant Semesters: Students may receive a maximum of 12 full-time (or full-time equivalent) semesters of Pell Grant awards. This includes all Pell Grants received at all schools attended. Usage rates can be viewed at studentaid.gov.

Maximum SUBSIDIZED Loan Semesters: Students may receive a maximum of 12 full-time (or full-time equivalent) semesters of Federal Direct Subsidized Loan. This calculation includes all subsidized loans received at all schools attended. Usage rates can be viewed at studentaid.gov.

SAP Status and Notification:
Grades and progress will be evaluated at the end of each spring semester once final grades are posted for the term. After the Financial Aid office has completed evaluations, students will receive electronic notification (to their CHC email) notifying them of their SAP status (approximately the first week of June).

SAP 'Suspension': If the student has not met Satisfactory Academic Progress standards, the student will receive an electronic notification (to their CHC email) regarding the **'Suspension' status and loss of financial aid**. Financial Aid at this point will be suspended. Students have an opportunity to appeal the suspension of aid. *Students also can reclaim eligibility by attending one academic term or summer school [at minimum] at Chestnut Hill College without financial aid and significantly improving their career grade point average or percentage of credits earned.*

SAP Appeal Process:
Students may submit an **appeal application and supporting documentation** to the Office of Financial Aid if extenuating circumstances beyond their control prevented them from meeting the minimum standards of Satisfactory Academic Progress. SAP appeals must be submitted to the Office of Financial Aid **within three weeks of notification**. Acceptable appeal requests (per Federal Regulations) are allowable based on: illness or injury, death of a relative, or other mitigating circumstances beyond the student's control. Students can find the SAP Appeal Process/Request instructions and forms on my.chc.edu under Finances>Financial Aid>Required Documents.

It is imperative that any student not making Satisfactory Academic Progress understands that failure to submit a successful appeal for Financial Aid means that no additional financial aid will be awarded to

that student for future semesters of enrollment unless the student regains good academic status without financial aid. Immediate action must be taken upon a student's receipt of the notification that the student is not making Satisfactory Academic Progress. **Incomplete appeals will result in a denial**.

The appeal request must include all documents that will provide the Appeals Committee with additional information pertinent to its review, including, but not limited to:

1. **Chestnut Hill College Satisfactory Academic Progress Appeal Request (this form is provided with a revocation letter) and must be signed by the student.**
2. SAP Academic Plan **– Completed/Signed by student and Academic Advisor or SCPS Administrator.**
3. Signed statement **from the student. The statement must include an explanation as to why the student was unable to make Satisfactory Academic Progress and explaining what has changed that will allow the student to make Satisfactory Academic Progress by the next evaluation.**
4. Supporting Documentation **for extenuating circumstances (medical, death of a relative, etc.)**

Note: **Academic Plan for Improvement**: If a student's financial aid is suspended, and the student chooses to appeal the suspension, they must complete an Academic Plan for Improvement as part of the appeal process. The student should contact the Office of Academic Advising to set up an appointment to develop an academic plan for meeting the minimum academic progress standards. The academic plan is a strategy that presents the student's goal to "get back on track" and meet the standards of Satisfactory Academic Progress (SAP) while completing degree requirements. The plan will have strict conditions that the student must follow to retain eligibility for financial aid. The Office of Academic Advising must endorse this Academic Plan for Improvement.

SAP Appeal Determination:
The Satisfactory Academic Progress Appeals Committee will review the appeal request form, the written statement, the Academic Plan, and any other submitted documentation to determine if the student can meet satisfactory academic progress standards by the end of the next term, get back on track to graduate, and thereby have their Financial Aid reinstated. All students will receive electronic notification (to their CHC email) notifying them of the Committee's decision.

SAP 'Probation' (Appeal Approved): If an appeal is approved, the student's academic progress will be placed on 'Probation,' and the student's financial aid will be reinstated for their next term of enrollment. *Students are not guaranteed to replace any previously awarded financial aid (FSEOG, Federal Work-Study, or Institutional Aid) if an appeal is approved, as funds may no longer be available.* **Students will be reviewed again at the end of the next term to ensure satisfactory academic progress and the Academic Plan for Improvement.** Students will be deemed eligible for federal financial aid for the remainder of the year as long as the standards have been met while on probation**. Students who have not met the standards while on probation will be ineligible for financial aid for the remaining semesters of that academic year.** Appeals are only valid for courses taken at Chestnut Hill College and are not retroactive.

SAP 'Suspension' (Appeal Denied*)***:** If the appeal is denied, the student will remain in a 'Suspension" status and will not be eligible for financial aid for the next academic year. PER THE ANNUAL SCHEDULE, their SAP status will be re-evaluated again after the

spring semester. **Students will remain in a 'Suspension' status until they re-establish Satisfactory Academic Progress.** *Students will be subject to Chestnut Hill's tuition refund policy and should be prepared to pay such tuition, fees, and other educational expenses until they have been approved to receive financial aid.*

Students seeking to re-establish financial aid eligibility remain ineligible to receive financial aid/ or deferment of payment until the appeal process is complete and the Satisfactory Academic Progress Appeals Committee has made a decision. The committee decisions are final and cannot be appealed further.

If a student succeeds in bringing their standing to the appropriate level (re-establishing Satisfactory Academic Progress), they will regain eligibility for Federal Financial Aid by the next evaluation period.

However, if a student regains financial aid eligibility and falls below the Satisfactory Academic Progress measures during the next evaluation period, a second Financial Aid 'Suspension' status will be applied, and the student will no longer be eligible for Federal Financial Aid.

Students may only appeal to have their financial aid reinstated twice. Students may not appeal for the same reason. Please keep in mind that a re-appeal without new information or documentation from the original denial will not be accepted.

If a student falls below Standard Academic Progress measures for a **third** time or more, the student will be denied Financial Aid for any future enrollment period until Satisfactory Academic Progress has been made.

Students who formally withdraw from Chestnut Hill and are afterwards re-admitted will have their Satisfactory Academic Progress status continued at the same status from when they left the College.

If you have any questions regarding this policy or the appeal process, please get in touch with the Financial Aid Office at finaid@chc.edu.

Standards of Academic Progress for the PA State Grant

Pennsylvania Higher Education Assistance Authority (PHEAA) requires recipients of the PA State Grant to complete a minimum of 24 credits for every two semesters of full-time grant assistance received or a minimum of 12 credits for every two semesters of half-time grant assistance received. No academic waivers will be granted for the PA state grant program by Chestnut Hill College. A student may appeal directly to PHEAA concerning extenuating circumstances.

Veterans' Benefits/School Certifying Official (SCO)

Marie Scheetz, Associate Registrar-SJ 350
Telephone: 215-248-7064. Email:scheetzm@chc.edu.

The Pennsylvania State Approving Agency has determined that Chestnut Hill College meets all of the criteria for approval for Veterans Education under the provisions of Title 38, United States Code, Section 3675.

The Post-9/11 GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs, reimburses your tuition & fees to your school and makes housing and other payments directly

to you. Chestnut Hill will receive a percentage, as determined by your length of active-duty service.

Through Chestnut Hill's Yellow Ribbon Program, fully qualified veterans/dependents can attend tuition free each year. The Department of Veterans Affairs (VA) matches dollar-for-dollar the contribution a participating institution (i.e. CHC) makes toward your costs (tuition, mandatory fees). Therefore, qualified college students can attend Chestnut Hill College for little to no cost. You must have 100% eligibility to qualify for the Yellow Ribbon Program.   To be considered, qualifying students must be accepted for enrollment to a degree program or be currently enrolled in that degree program at the College as verified in the submitted Certificate of Eligibility provided by the College's SCO. In lieu of a Certificate of Eligibility, students can currently print the eBenefits, page as proof of eligibility. In Vets.gov, the user will be able to view and print a "Post-9/11 GI Bill Statement of Benefits." This will contain the same information.

Questions about eligibility for the Post 9/11 GI Bill or the Yellow Ribbon Program should be addressed at either the local VA Regional Office or the Department of Veterans Affairs at www.gibill.va.gov.

Students who are entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill ®benefits, are considered covered individuals. Chestnut Hill College will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Students who are entitled to educational assistance under Chapter 31, or chapter 33 will be permitted to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website-eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

- The date on which payment from VA is made to the institution.

- 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

STUDENT SERVICES AND FACILITIES

Academic Advising

Academic advisors with advanced degrees and experience in curriculum, education, and academic counseling are available to meet with students during the day or evening. They can help students choose majors, select courses, transfer credits, schedule classes and set goals. Students are encouraged to review their course schedules with academic advisors prior to course registration to support academic progress. To schedule an appointment with an academic advisor, contact the Accelerated Office at 215-248-7063.

Academic Resources: The Math Center and the Writing Lab

The Math Center provides assistance with math courses and administers mathematics placement exams. For an appointment, call 215-248-7088.

The Writing Lab offers assistance with academic writing. For an appointment, call 215-248-7114. The Resource Centers are accessible during the fall, spring, and summer sessions. Hours are posted for each Center.

Campus Safety and Security

Lower Level of Fontbonne Hall, Telephone. 215-242-7777

Chestnut Hill College Security Officers are CPR and AED-certified and have undergone training in specialized course offerings for higher education. Security Officers do not carry firearms. Criminal investigations are conducted by the Philadelphia Police Department. Victims of campus crimes and other criminal activity are encouraged to, and are readily assisted in, reporting incidents to the local police.

Photo IDs are available through Campus Security at the Security Operations Center, Lower Level of Fontbonne Hall. Students must carry their ID cards at all times. ID cards are non-transferrable and, upon request, must be surrendered to authorized personnel, e.g., security officers in the performance of their duties. An ID card is required to take books out of the library, to use the computer center, to use the pool and fitness center, to participate in the meal plan, and obtain a parking permit. There is a fee to replace lost or damaged ID cards.

Career Development Office

St. Joseph Hall, 3rd Floor, Room 342
Telephone: 215-248-7048 Email: ndachill@chc.edu.

Career Development is an on-campus resource available to all students. Programs enable students to obtain knowledge and skills needed to plan careers and develop an effective job search. Personal interviews, special seminars, and career planning workshops assist the student in assessing abilities, choosing an occupational field and selecting an entry position.

Resources include the following:
- Full-time, part-time and summer job listings
- GRE, GMAT, LSAT, MCAT applications
- Literature on various careers as well as graduate programs
- Participation in the Annual Chestnut Hill College Job Fair

- Senior Career Services Newsletter
- Registry in credential service
- Job search workshops
- Critique of resume/personal interviews

FOCUS is a self-paced, online career and education-planning tool for use by college students. It will enable the student to self-assess career-relevant personal qualities and explore career fields and major areas of study that are most compatible with the assessment results. Students who use FOCUS make better decisions about their goals and plans and learn how to self-manage their careers. Career planning with FOCUS leads to the following advantages for students: While in college: More goal focused and motivated-Higher academic achievement - Fewer transfers and switching of majors-Graduate on time; After Graduation: Better entry job with higher income-More satisfied, more productive in their career-Less career change, faster advancement.

Counseling Center

St. Joseph Hall, 3rd Floor. Room 56.
Telephone: 215-242-7104. Email: kennedys@chc.edu

The Counseling Center offers free, short and long-term therapy to students in the Schools of Undergraduate, Graduate and Continuing and Professional Studies during the academic year. Counseling staff can also consult with students and members of their families. Workshops are offered to address students' interests and needs. Students may use the Counseling Center while they are enrolled at the College.
The Counseling Center is completely confidential, except in cases of life-threatening emergency (the threat or attempt of suicide, and the threat of seriously injuring another person, for example). Concerned, trained clinicians work under the supervision of a licensed psychologist.

Students may seek counseling for a wide variety of reasons and should feel free to schedule a preliminary appointment to determine if therapy would be helpful for a particular issue. Students who have received treatment in the past are also welcome to return to the Counseling Center as needed.

Office hours are posted at the Counseling Center, as well as in central locations on campus. Appointments can be arranged by calling the office or stopping by and scheduling an appointment in person.

Enrollment/GPA Verification

Chestnut Hill College is a member of the National Student Clearinghouse, a non-profit organization that updates federal loan agencies with full or part-time status information for all currently enrolled students. However, if a paper enrollment or GPA verification is needed, it may be obtained in the office. There is no fee for this service, but a signature is required for the release of the information and processing will take 7-10 days.

Food Services

The Dining Hall is located on the first floor of Fournier Hall. Meals may be purchased on a cash basis. The McCaffery Lounge features the Social Café, which is located on the first floor of Fournier Hall and offers upscale coffees, smoothies, cold beverages, salads, and sandwiches. Hours and prices are posted. Vending machines are located on the lower-level walkway

between St. Joseph and Fournier Hall and the third floor of St. Joseph Hall. The Bookstore also sells an assortment of drinks and snacks.

International Student Office

Email: globaled@chc.edu

The Office of International Student Services coordinates the College's international contacts and seeks to provide assistance to all international students and non-native speakers on campus (The School of Undergraduate Studies, the School of Continuing and Professional Studies, and the School of Graduate Studies). The Assistant Director advises students about academic procedures, expectations and requirements of Chestnut Hill College, and offers information about the U.S. educational system. Assistance is provided on U.S. Tax Laws, extension of stay and transfer of schools. Information about health care and medical insurance is also offered. International students must contact this office before admission and registration.

Library/Library Services

Logue Library, Main Campus on the Circle.
Telephone: 215-248-7050. Email: Librarians@chc.edu

Logue Library houses 140,000 volumes on three floors of open stacks. In addition to the circulating materials, there is a reference collection in the Alumnae Reference Room on the main floor. An extensive electronic research collection is available onsite and remotely. Complementing the broad eBook collection, there is access to journal literature from EBSCO Academic Search Complete, ERIC, PsycINFO, Westlaw and other subscription databases. Students may access the catalog and electronic resources on the Library Site https://library1.chc.edu. The library site also provides a link to request online help from librarians at all times.

Along with a rare books collection that features British literary works and early Catholic liturgical music, Logue Library houses an Irish Collection specializing in Irish history; and The Brimmer Collection offers books for children. The main collection is classified according to the Library of Congress Classification System, while the Brimmer Collection uses the Dewey Decimal System.

To borrow books or reserve materials all students MUST have a current College ID.

Lost and Found

Fournier Hall, 1st Floor, Front Desk 215-242-7976
Students are personally responsible for the safekeeping of their valuables and belongings. Therefore, necessary precautions should be taken to guard against loss. All found articles are to

be turned over to the Office of Security and Safety. For Lost and Found inquiries, check with the Information Desk located on the first floor of Fournier Hall. All articles will be kept for a period of 30 days. If not claimed, the articles will be disposed.

Minors on Campus

Childcare is not provided on campus. Children may not be left unattended in any college building or anywhere on campus, including the Logue Library, the Student Life Center, or other public lounge areas. Children are not permitted in classrooms, even when attended by parent or guardian.

Posting Policy

1. Individuals (including faculty and staff) and/or groups are responsible for hanging and removing posters and/or flyers. This means making sure all rules are followed.
2. Poster Specifications
   a. Name of sponsoring groups must appear on poster.
   b. Specific date(s) must be clearly stated
   c. No reference to alcohol may be made in any way
   d. Poster must be in good taste as judged by CHAT or SGA
   e. Tape should not be visible. It should be placed in rolls on the back of the poster.
3. Posters may not be attached to paneling or directly to painted walls.
4. Masking tape is the only kind of tape to be used to hang a poster. Cellophane/scotch tape and adhesive gum may never be used.
5. Posters may not appear more than two (2) weeks prior to an event and must be removed within 48 hours after the event.
6. All materials being posted must bear the Chestnut Hill Activities stamp of approval. Items to be posted must be taken to the Activities Office or Student Affairs Office to obtain approval.
7. No event should be publicized until the necessary scheduling, reservation and approval procedures have been completed as appropriate to the event.

Registrar

The Office of the Registrar prints official transcripts for students in any school, and diplomas for undergraduate and graduate alumni. Transcripts and diploma reprints or duplicates must be requested in writing and there is a fee associated with either request. The Office of the Registrar does not issue unofficial transcripts. A business, health services, library, or athletic hold will prevent the release of either document. These obligations must be satisfied before transcripts or a diploma will be issued.

Transcripts are requested and paid for online at www.chc.edu/registrar. Transcripts usually take 7-10 days for processing; diplomas 30 days.

Student Learning Services Center

CURRICULUM

Curriculum Overview

Chestnut Hill College's School of Continuing and Professional Studies (AADP) focuses on the adult learner and provides a holistic overview of components required in pursuit of a liberal arts degree. AADP encourages shared responsibility within a flexible framework. The courses of study provide the student with a background in the fine arts and humanities, knowledge of science and a keen awareness of the social problems of our day, as well as intensive, in-depth study in a major field. The degrees offered respond to the needs of adult students seeking practitioner's majors in areas of career interest.

All AAPD curricula are reviewed and approved by the faculty of Chestnut Hill College. The academic work required in all courses is equivalent to Chestnut Hill College's fifteen-week semester. The curriculum adheres to the Mission of the College and provides academic excellence in shorter eight-week sessions.

The completion of the degree requires 120 credits (40 courses). Depending on the major of study, the required number of credits vary in either the Core Liberal Arts, Major Requirement, Major Elective, or Free Elective courses.

Students who have successfully completed UEEN 104 Communications and Thought II at another institution will be requested to submit a statement of professional goals as a writing sample. The goal statement will be evaluated based on overall presentation, organization and mechanics of writing. Students who score less than six on the writing sample will be required to take an additional writing course.

The Core Liberal Arts courses are designed to encourage critical thinking and processes of intellectual activity. The courses answer the following questions:

> What information is important?
> How are data processed?
> What conclusions can be reached?
> What are the values and limitations of the discipline?

These courses develop an appreciation for human culture and intend to diversify the student's educational experience. The cultural studies component exposes students to snapshots of foreign culture through literature and to the practitioner's application of foreign language for the workplace.

Global Awareness Seminar (UEGS 201) – This course explores the economic, political, social, environmental, and cultural roots of global conflicts, the risk of catastrophic confrontations, and the potential of peaceful resolutions. Topics in this course vary depending on the expertise of the teaching faculty and the world situation.

Religious Studies courses evaluate human action and decisions and encourage moral choices and the associated responsibilities.

Major Requirement and Major Elective courses are designed to offer a systematic study of a subject area and provide an integrated grasp of its contents and methodologies.

Free Elective Courses are designed to strengthen courses in the major, provide opportunities for learning in academic areas of special interest, supplement academic areas where a student's background is deficient, and provide additional required courses in preparation for graduate study.

The Pennsylvania Director Credential

The Pennsylvania Director Credential is designed as the standard to measure and validate the abilities and competencies of directors and administrators to manage high quality early childhood and school-age programs. Additionally, it represents the level of personal and professional accomplishments of directors and administrators, their professional contributions through demonstrated leadership, and active engagement in professional endeavors beyond the scope of the daily operation of a program. (Pakeys.org)

PA Keys, Office of Child Development has approved Chestnut Hill College to offer the Director Credential program. Upon successful completion of the below courses, candidates must submit a separate application to Pennsylvania Key for award of the Director Credential certificate.

The courses required for The Pennsylvania Director Credential are:

UEED 226   Issues in Supervision of Programs for Young Children
UEED 227   The Business of Childcare
UEED 228   Leadership and Administration of Programs for Young Children..

Montessori Infant Toddler and Early Childhood Credential

Chestnut Hill College also offers the Montessori Infant Toddler and the Early Childhood Credential. CHC's Montessori Early Childhood Program is accredited by the Montessori Accreditation Council for Teacher Education (MACTE) and affiliated by the American Montessori Society (AMS). Students interested in becoming Montessori teachers may take courses for credit or as part of a noncredit program. Students taking the Montessori courses for noncredit will not, upon completion nor in the future, receive any undergraduate or graduate college credit for the noncredit coursework. Successful completion of this program leads to the American Montessori Society credential. Students interested in Montessori Education should contact the Montessori Program Director at 215-242-7957

ASSOCIATE OF ARTS in the Liberal Arts

The Associate of Arts (AA) in the Liberal Arts degree at Chestnut Hill College Accelerated Adult Degree Program consists of a strong core program and an academic concentration, so that an Associate degree student, in addition to benefiting from a planned liberal arts exposure, also has an opportunity to select a major. The major ensures focused preparation for varied careers and permits one to move smoothly into a baccalaureate program with no loss of credits. The AA is available with a concentration in one of nine different programs of study offered through the School of Continuing and Professional Studies Accelerated Adult Degree Program.

The AA in the Liberal Arts is incorporated within the Accelerated baccalaureate degree program. This affords students the advantage of Accelerated Adult Degree Program faculty, the challenge of intermediate level courses, the expertise of a supportive staff experienced with academic counseling and advising and the interaction not only with other associate students but with the baccalaureate student as well.

Program Requirements

The Associate of Arts degree is awarded to an Accelerated Adult Degree Program student who satisfactorily completes the requirements of the curriculum. To qualify for a degree, students earn a minimum of 60 credits (at least 30 of which are earned at Chestnut Hill College), have a cumulative grade-point average of 2.00, a grade of "C-" or above in all major courses, and comply with the standards of the College.

Core Liberal Arts include nine courses (27 credits). The major curriculum is structured to prepare students for an entry-level position in a specialized field. The program provides a solid foundation for continued studies toward a baccalaureate degree.

Education (ED)

UEED 222 Foundations of Education 3 credits
Students explore the historical, philosophical, and social foundations of education and their relationship to the present day. Additionally, the course provides a framework and tools to analyze, synthesize, and evaluate current issues, practices and procedures related to teachers and the factors that influence their teaching.

UEED 226 Supervision Issues in Childcare 3 credits
Focuses on the skills and sensitivities necessary in professional supervision, a critical aspect of leading an early childhood program. It will begin with a review of the vision and mission of the school developed in Leadership and Administration, the relevance of that vision for recruitment, mentoring, and assessment of teaching. Specific standards and procedures will be discussed for the hiring and releasing of staff as well as clinical supervision and formative evaluation methods. Corresponding appropriate professional development methods will be considered that are responsive to interests as well as needs of staff members, and which are responsive to the mission of the school and aligned with Pennsylvania requirements such as Professional Development Records (PDR's), Pennsylvania Quality Assurance System (PQAS), and Keystone STARS. Challenges and benefits specific to early childhood settings regarding staffing, such as working with organizational priorities, recruitment and retention, and staff development will be included. Each student will develop a supervisory program model that corresponds to the direction and needs of his/her school.

UEED 227 The Business of Child Care 3 credits
Provides students with the theories and tools necessary in developing a business plan that is both practical and supportive of values and vision. Directors or aspiring directors will be required to examine the visions/mission statements of their schools and determine the necessary procedures for accomplishing these objectives. In order to accomplish this task, students will study specific aspects of business management as they relate to the childcare field. Because of the breadth of possible topics, a survey will be administered to students at the beginning of the course to determine areas needing the most emphasis.

UEED 228 Leadership and Administration 3 credits
Leading an early childhood program requires the abilities necessary to meet demands in at least three main areas of responsibility: management, community building, and supervision. This foundational course, Part I of a two part series, will focus on management and community building. Initial considerations will include developing a school vision that will guide all future efforts. Management will include understanding state regulations, adhering to institutional policies, developing budgets, creating schedules, and other tasks that promote a comfortable school climate. Community building will include building interrelationships among teachers, parents, and children, as well as a communication network with the institutional context and relating to the community at large. Each student will review his/her own current program in order to evaluate success and progress in each of the areas listed above as well as overall institutional health.

UEED 246 Educational Technology 3 credits
Introduces students to applications, games, simulations and resource software to enrich and enhance the curriculum including the arts. Students develop their own criteria and strategies for the selection and uses of technology across the curriculum and across grade levels.

UEED 248 Survey of Autism 3 credits
The course provides a comprehensive foundation of knowledge and skills necessary in order to understand and work effectively with children on all levels of the Autism Spectrum as well as the related condition of Social Communication Disorder.

UEED 344 Family, School and Community 3 credits
Presents both theory and practice on ways to integrate parents and community into the educational program of their children. Emphasizes effective ways of communicating for all parties. Investigates relationships between community goals and those of its agencies and schools. Highlights resources and services available in the community.

UEED 352 Child Advocacy and U.S. Policy 3 credits
History of children's rights in U.S. and status of legislation and public policy affecting children and families. Policies in other countries will also be studied. Addresses confidentiality rights of children as well as other advocacy issues.

UEED 360 Educational Research and Evaluation 3 credits
This course provides students with the fundamental aspects and processes of research using a five-step model (Introduction; Literature Review; Methods; Results; Discussion section) to guide development and design of a research paper. Student in this course select a research topic in education particularly as it relates to academic, behavioral, emotional and social issues. Simultaneously, students review, discuss and incorporate into their papers the underpinnings of educational research such as assessment, evaluation, and qualitative methodologies for measurement. Included in this course are the basics of APA Style Standards for writing at the undergraduate level

.

Education (P4)

UEP4 201 Development/Early Years 3 credits
Presents future teachers with the study of child development from conception to pre-adolescence. It is designed for the students to learn about all aspects of human development: physical, emotional, social, cultural and cognitive. The course aims to introduce a holistic view of human development as integrated into particular social and cultural context by presenting contemporary theories of child development, research methods in the study of development and in particular aspects of healthy human psychological development that are relevant in learning and education.

UEP4 202 Educational Psychology/Early Years
Presents comprehensive multidisciplinary array of theories, facts and practical knowledge in early child development through a variety of materials and media. The course goals, components, topics and assignments are designed to promote teachers' awareness and sensitivity to the interdependence of individual development and local cultural environments and to give professional knowledge to help them create opportunities for healthy development of children from birth to 4th grade relative to their individual needs.

UEP4 203 Foundations/Theory Early Childhood Education 3 credits

UEHS 460 Internship 3 credits
An educational and practical experience with a public agency or private organization. The experience is monitored through faculty and professional supervision and requires the student to apply knowledge of various disciplines to the realities confronted in the intern experience. *Prerequisite: junior or senior status.*

Legal Studies (LE)

UELE 101 Introduction to Law, Legal Studies and Legal Ethics 3 credits
Introduction to legal ethics, legal careers and the development of legal analytical skills through reading court opinions, U.S. Constitutional provisions and statues. Cultivation of a legal mentor.

UELE 103 Civil Litigation 3 credits
Introduction to jurisdiction, civil litigation process, client-interviewing and drafting of legal documents including consideration of relevant legal ethics considerations.

UELE 201 Legal Technology: Processes 3 credits
Hands-on training in legal platforms that offer time-keeping, litigation management and litigation support; introduction to eDiscovery.

UELE 202 Advanced Legal Writing 3 credits
Preparation of legal memoranda, settlement brochures and legal documents and development of a professional hard-copy and e-portfolio of legal documents. *Prerequisite UEEN 104 with a grade of B or higher*

UELE 203 Legal Research Credits 3 credits
Introduction to the formulation of legal research queries, developing legal research plans and conducting and updating researching using statutes, regulations, and case law.

UELE 281 Special Topics in Legal Studies 3 credits
Topics vary by semester. (Repeatable for credit)

UELE 301 Trial and Advocacy Practice 3 credits
The nuts and bolts of preparing for trial including drafting of selected pre-trial documents and demonstration of oral advocacy skills.

Liberal Studies (LS)

UELS 453 Senior Seminar 3 credits
In seminar format, students explore areas of current interest and research not included in other courses. The course is structured to include group discussions, independent study and research. Students present their research in an oral presentation and a written paper. Students register for this course upon approval of the academic advisor. *Prerequisite: Senior status and completion of all course work required in the major*

Management (MG)

UEMG 115 Organizational Foundations 3 credits
This course will focus on understanding characteristics and qualities of human behavior and how they interact to make organizations work. It will include an analysis of the historical perspective as well as a review of contemporary theories. Case studies will be used to demonstrate the application of theoretical concepts to practical situations.

UEMG 200 Organizational Theory and Practice 3 credits

An overview of how organizations work including theory, research and application. Students will gain a deeper understanding of organizational structure, culture, communication, and strategic planning processes within the internal business and external business environment. Current trends, cases, and engage in experiential exercises to facilitate critical thinking and apply the course content to an organizational setting will be utilized. The course will also integrate knowledge and skills in the area of organizational theory, with systematic problem solving, to assess and diagnose an organizational problem. *Prerequisite UEMG 115*

UEMG 201 Principles of Management 3 credits
Offers an in-depth examination of organizational behavior as it relates to the management of individuals and groups at work. Emphasis will be placed on individual motivation and the organization system with its own design, policies, ethics, and culture. Investigation of management techniques and their impact on employees at work are included.

UEMG 223 Team Dynamics 3 credits
A study and use of team and small group behavior in organizations. Students will gain a deeper understanding of team structure, processes and performance reviews, such as, team roles, leadership, and decision-making. Using a self-directed work environment, students will learn concepts and processes within team dynamics.

UEMG 225 Negotiation/Conflict 3 credits
Focuses on managing public disputes. Knowledge and skills developed are those needed to analyze complex conflict and dispute situations, shape appropriate processes to involve the right parties, constructively negotiate settlements, select mediators and facilitators, and design dispute resolution programs. Emphasizes conflict management and resolution leadership.

UEMG 303 Psychology of Leadership 3 credits
Focuses on characteristics of effective leadership; dilemmas of leadership; organizational structure and leadership; motivation of people; effecting change; theories of leadership and leader's personality. Also included is a study of leadership function in small group settings.

UEMG 307 Strategic Management 3 credits
Designed to give the student a basic understanding of the planning, organization and management of an enterprise. This will be achieved using case studies and insights into operational functions and decisions of management. The course includes a study of the characteristics of strategic decision-making, as applied to the basic organizational functions of operations, marketing and finance.

UEMG 310 Entrepreneurship 3 credits
Designed to give the student a basic understanding of the planning, organization, and management of an enterprise. This will be achieved using case studies and insights into operational functions and decisions of management. The course includes a study of the characteristics of strategic decision-making, as applied to the basic organizational functions of operations, marketing and finance. *Prerequisite: UEEC 110.*

UEMG 315 Cultural Competence 3 credits
This course is designed to develop cultural competency in decision-making methods to problem solving, and facilitating effective and appropriate cultural competency. Students will

gain knowledge and skills in human resource management, supervision and staff development, team building, motivation for performance, inter-organizational collaboration, organizational learning strategies, cultural competence with a diverse staff, and effectively serving diverse and multicultural populations as well as aspects of program planning, strategic management and planning, , and strategies for leading change efforts.

UEMG 321 Managing for Non-Profit Organizations 3 credits
An overview of management from the perspective of diverse not-for-profit organizations will be the focus of this course. The not-for-profit manager must explore strategic initiatives designed to meet mission needs while improving efficiency and quality. By contrasting management for profit and not-for-profit organizations, the course will cover: social responsibility, budgeting, volunteerism, employment, stakeholders, legal obligations, mission accountability, and community relations. *Prerequisite: UEMG 201.*

UEMG 325 Operations Management 3 credits
Through lectures and case studies the student will learn how the following key elements fit into operation management plans: work-force management and productivity, project management, forecasting, product design, quality assurance, process strategy, capacity determination, plant location/layout strategies, inventory control, quantitative models used in solving management problems will also be examined. *Prerequisites: UEMG 201, UEMA 111.*

UEMG 328 Organizational Leadership 3 credits
The course presents leadership and management theories/concepts. It provides students the opportunity to apply these theories through case analysis and to enhance personal skill development through self-assessment exercises. Included in the course are identification of current leaders and leadership as well as contemporary perspectives on ethics, networking, coaching, organizational culture, diversity, learning organizations, strategic leadership, and crisis leadership.

UEMG 330 Data Analytics 3 credits
This course examines the ways in which organizations can use data to gain insights and make better decisions. Data analytics are applied in operations, marketing, finance, and strategic planning among other functions. The ability to use data effectively to drive rapid, precise and profitable decisions has been a critical strategic advantage for organizations. *Prerequisite UEMA 103*

UEMG 340 International Business 3 credits
An introduction to the most important aspects of international business, including factors influencing the environment of international business, the strategies, structure and control systems of multinational companies, and the nature of management systems, and practices in different cultures. *Prerequisites: UEEC 109, UEMG 201, UEMK 201.*

UEMG/PO 350 Government and Business 3 credits
An in-depth examination of the complex and expanding role of government activity in the private business sector. The history of intergovernmental aid programs, the growth of public/private economics partnerships and the pros and cons of government regulation and tax structures will be explored in detail, giving students the background necessary for understanding current government policies.

UEMG 400 Special Topics 3 credits
An opportunity to pursue, in a structured setting, a topic of current interest or specialized focus not available in other management courses. *Prerequisite: UEMG 201.*

UEMG 453 Senior Seminar 3 credits
In seminar format, students explore areas of current interest and research not included in other courses. The course is structured to include group discussions, independent study and research. Students present their research in an oral presentation and a written paper. Students register for this course upon approval of the academic advisor. *Prerequisite: Senior status and completion of all course work required in the major*

UEMG 460 Internship 3 credits
Fieldwork with approved business firms where meaningful assignments are performed with appropriate training, instruction and supervision. *Prerequisite: junior or senior status.*

Marketing (MK)

UEMK 201 Principles of Marketing 3 credits
Examines environmental variables marketing managers should consider before designing strategy with emphasis in buyer characteristics and competitive activity. Marketing strategy options are considered for product, distribution, pricing, and promotion.

UEMK 220 Consumer and Buyer Behavior 3 credits
Explores psychological and sociological variables marketing managers should examine in order to understand the needs of potential buyers including motivation for purchase, attitudes and values, cultural background, and social class. Analyzes the adjustment of marketing strategy to satisfy needs of different market segments.

UEMK 400 Special Topics 3 credits
Provides an opportunity to pursue, in a structured setting, a topic of current interest or specialized focus not available in other marketing courses. *Prerequisite: UEMK 201.*

UEMK 410 Marketing Research 3 credits
Applies the scientific method, (i.e., problem definition, hypothesis formation, data collection and analysis), to marketing decision making. Students conduct a market research study and present their own findings. *Prerequisites: UEMK 201, UEMA 111.*

UEMK 450 Marketing Strategy, Planning and Organization 3 credits
An advanced marketing management course emphasizing ethical goal setting, planning and evaluation of marketing objectives, policies, strategies, and tactics in an increasingly global environment. Cases are used as vehicles for decision making involving marketing mix variables and may be supplemented with a marketing simulation. *Prerequisite: UEMK 201.*

UEMG 453 Senior Seminar 3 credits
In seminar format, students explore areas of current interest and research not included in other courses. The course is structured to include group discussions, independent study and research. Students present their research in an oral presentation and a written paper. Students register for this course upon approval of the academic advisor. *Prerequisite: Senior status and completion of all course work required in the major*

UEMK 460 Internship 3 credits
Fieldwork with approved business firms where meaningful assignments are performed with
appropriate training, instruction and supervision. *Prerequisite: junior or senior status.*

Mathematics (MA)

UEMA 100 Developmental Math 3 credits
A fundamental course in basic mathematical skills, designed for students who are, for any
reason, inadequately prepared for college level mathematics. UEMA 100 includes a study of the
real number system and basic concepts of algebra. UEMA 100 may be required because of the
Mathematics Proficiency Exam. Credits from this course are not applicable toward a degree.

UEMA 101 Precalculus I 3 credits
 Review and development of topics needed for the further study of mathematics, including
calculus and mathematics for management. Includes: algebraic operations, equations and
inequalities, algebraic functions, analytic geometry and graphing. Students who earn a grade of
"C-" or better in UEMA 101 fulfill the mathematics requirement for graduation. *UEMA 100 or
Math Proficiency Level*

UEMA 103 Survey of Mathematics 3 credits
A study of mathematics using an analytical approach incorporating topics such as sets and
logic, elementary number theory, basic algebra, geometry, and trigonometry. Includes problem
solving and applications. An emphasis will be placed on developing an appreciation of the way
mathematicians think and work, how mathematics contributes to understanding the world, and
the role of technology in the study of mathematics.
Prerequisite: UEMA 100 or Math Proficiency Level.

UEMA 104 Mathematics for Business I 3 credits
Algebraic functions and their graphs, mathematical modeling, systems of linear equations and
inequalities, matrices, linear programming, mathematics of finance. Applications to business,
management and the life sciences. Credit by examination is not available. *Prerequisite: UEMA
101 or Math Proficiency Level*

UEMA 105 Mathematics for Business II 3 credits
Basic concepts and techniques of differential and integral calculus with applications to business,
management and the life sciences. Credit by examination is not available. *Prerequisite: UEMA
104.*

UEMA 111 Probability and Statistics 3 credits
Quantitative methods for decision-making. Topics include descriptive statistics, elementary
probability theory, discrete and continuous probability distributions, random sampling,
correlation and regression, confidence intervals and tests of hypothesis. *Prerequisite: UEMA
104.*

UEMA 156 Math for Teachers/Early Education 3 credits each
A development of mathematical concepts, skills, and theory needed by teachers in early
education. Emphasis on the language of mathematics, mathematical reasoning, patterns and
relationships, problem solving strategies and connecting mathematics, its ideas, and its
applications. Topics include numeration, the number system and its operations, ratio and
proportion, geometry, measurement, and introduction to statistics and probability. Incorporates

the use of manipulatives, diagrams, graphs, models, and technology. *Prerequisite UEMA 101 or Math Placement Exam Level 2.*

Montessori (MN)

UEMN 220 Montessori Philosophy/Edu Theory 3 credits
Students explore the educational philosophy that influenced Maria Montessori. A second trend, emanating from science and the scientific method, forms a comparative study of her predecessors in the fields of child development, medicine, anthropology and pedagogy. Background relates the pedagogical principles of the Montessori Method to today's educational philosophies and methods.

UEMN 221 Montessori Everyday Living/Art 3 credits
A study of the child's environment and culture dictates the exercises that aid inner discipline, self-esteem, a sense of order, and muscular control. Montessori pedagogical principles provide the rationale for demonstration of techniques appropriate for the very young child. *Prerequisite: UEMN-220 or permission from the Montessori program director.*

UEMN 222 Montessori Sensorial/Music 3 credits
Provides the rationale and technique undergirding the refinement of sense perceptions as a means of acquiring classified, detailed and accurate knowledge from the environment. Students receive practical insight into the role of movement. *Prerequisite: UEMN-220. Cross-listed: EDMN 222, EDMN-522, MONC-022.*

UEMN 223 Montessori Mathematics 3 credits
Enables the student to assess a child's mathematical readiness, to introduce number with its properties of cardinality and ordinality, to develop the mathematical experience to include the basic operations with the didactic apparatus. This course provides preparation for the intern experience. *Prerequisite: UEMN-220. Cross-Listed: EDMN-223, EDMN-523, MONC-023.*

UEMN 224 Montessori Language 3 credits
Students learn how to design language programs within the prepared Montessori environment. Discussion includes the responsibility of the teacher in the different levels of development that lead to writing and reading, in the sequencing of materials, and in adaptations to specific language needs of children with special emphasis on the urban minority child. *Prerequisite: UEMN-220. Cross-Listed: EDMN-224, EDMN-524, MONC-024.*

UEMN 225 Montessori Natural/Social Sciences 3 credits
Provides the student with material for the study of natural and social sciences used in the Montessori classroom appropriate to the age and development of the young child. Students explore the wonders of nature, and the interactions of human beings and nature. Suggestions are included for developing parent/ teacher partnerships and mutual responsibilities. *Prerequisite: UEMN-220. Cross-listed: EDMN 225, EDMN-525, MONC-025.*

UEMN 226 Montessori Education for Peace 3 credits
Focuses on the essentials of education for peace, which are built into the Montessori curriculum at every level. Emphasis will be on role modeling, conflict resolution, and the teacher's role in creating a peaceful environment. *Cross-listed: EDMN-226, EDMN-526, MONC-026.*

UEMN 234 Infant Toddler Montessori Philosophy & Observation 3 credits
This course is an introduction to the patterns of growth and areas of development in children ages birth to three, including pre-natal and brain development. It provides a study of basic theories in child development proposed by child theorists and researchers. Students will examine the five domains of Development and Learning: physical, language, cognition, social and emotional. The three temperaments of children, flexible, fearful and feisty will be introduced. Students will explore child development through an examination of case studies, lectures, videos and child observations based on current research.

UEMN 235 Infant Toddler Pedagogy & Env. Design I
In this course, the study of Montessori philosophy and the understanding of the physical, language, cognition, social and emotional development of the infant are integrated.
Basic room design, establishing daily routines, physical care, supporting the young child's psychological needs and the preparation of adults for assisting infants are explored. Developmentally appropriate practices for developing trust, giving a message of acceptance and respect, setting clear boundaries, encouraging concentration, allowing freedom of movement, and developing a secure attachment will be discussed. This course will also focus on the importance of appropriate and stimulating environments for children aged 0 to 18 months. How to choose and create materials that meet the infant's sensitive periods for movement, language, development of the senses, independence and order will be demonstrated and practiced.

UEMN 235 Infant Toddler Pedagogy & Env. Design II
In this course, the study of Montessori philosophy and the understanding of the physical, language, cognition, social and emotional development of the toddler are integrated.
This course will focus on the importance of appropriate and stimulating environments for young children, 18 months up to three years. Topics will include ideal ages, age groupings, ratios of children to adults, the choice and arrangements of the furniture, and the choice and organization of the materials and activities. How to design, sequence, display and present activities that meet the needs of the toddler's sensitive periods for language, movement, development of the senses, independence and order will be demonstrated and practiced. Developmentally appropriate practices for toilet learning, eating, dressing, and napping will be discussed. Safety procedures and relevant local, state and federal legislation for Infant Toddler programs will be reviewed.

UEMN 430 Montessori Fall Internship 3 credits
A year's internship taken in the student's senior year, which brings together the theory, practice and curriculum of Montessori Education. *Corequisite: UEMN-431. Cross-Listed: EDMN 430, EDMN-630, MONC-030.*

UEMN 431 Montessori Fall Seminar 2 credits
Regularly scheduled biweekly seminars to correlate methods and student teaching run concurrently with the Internship for both fall and spring semesters. Seminar consists of bi-weekly meetings that discuss and evaluate observation and participation experiences of seminar students working in Montessori classrooms. Problems and challenges facing student interns, parents and administrators are addressed. *Corequisite: UEMN-430. Cross-listed: EDMN-431 EDMN-631, MONC-031.*

UEMN 432 Montessori Spring Internship 3 credits
A year's internship taken in the student's senior year, which brings together the theory, practice and curriculum of Montessori Education. *Corequisite: UEMN-433. Cross-Listed: EDMN 430, EDMN-630, MONC-030.*

UEMN 433 Montessori Spring Seminar 2 credits
Regularly scheduled biweekly seminars to correlate methods and student teaching run concurrently with the Internship for both fall and spring semesters. Seminar consists of bi-weekly meetings that discuss and evaluate observation and participation experiences of seminar students working in Montessori classrooms. *Corequisite: UEMN-432. Cross-Listed: EDMN 433, EDMN-633, MONC-033.*

UEMN 450 Montessori I/T Fall Internship 3 credits
Students in this course participate in a yearlong internship in an authentic Montessori Infant or Toddler classroom. They spend the minimum of three hours per day for the duration of the school's academic year. Working with a seasoned Infant or Toddler Montessori teacher, students begin to put into practice all they have learned from their Montessori course work. In addition, they engage in a variety of skills necessary for effective classroom leadership such as accurate observation and record keeping, lesson planning, classroom management, child discipline and communication with parents. All students in this course are also required to take concurrently the Infant Toddler Montessori Fall Seminar course UEMN 451.

UEMN 451 Montessori I/T Fall Seminar 2 credits
In this course, best practices for preparing the environment initially and throughout the year, the scheduling for both staff and the school day and the human needs and requirements (children, families and staff) for a full day or extended day program will be discussed. The use of developmental milestones for evaluating a child's progress will be practiced. Best Practices for setting developmentally appropriate limits and validating feelings with infants and toddlers will be explored. Abar resources for creating a culture of compassion kindness and equitability will be evaluated and discussed. Dr. Montessori's spiritual preparation of the teacher will be introduced (Absorbent Mind, Chapter 27)

UEMN 452 Montessori I/T Spring Internship 3 credits
A year's internship taken in the student's final year brings together the theory, practice and curriculum of Infant Toddler Montessori education. Regularly scheduled seminars correlate methods and the internship. All students in this course must have completed UEMN 450 and UEMN 451 and are required to take concurrently the Infant Toddler Montessori Spring Seminar course UEMN 453.

UEMN 453 Montessori I/T Spring Seminar 2 credits
In this course, the students will develop a better understanding of the psychology of parenthood, the ability to communicate successfully with parents including parent conferences, an awareness of community resources for referral, enrichment, program development and implementation, including health and nutrition, and the ability to involve the family into the life of the school for the benefit of both. The spiritual preparation of the teacher will be furthered explored.

Music (MU)

UEMU 101 Music in Western Culture 3 credits
A chronological survey of the development of music, its styles and characteristics from the Middle Ages to the contemporary period. No musical background required.

UEMU 124 Music in Twentieth Century America 3 credits
A panoramic survey of the streams of American music in the twentieth century. Encompasses ethnic, folk, religious, and popular music; jazz and its forerunners and a brief history of Rock and Roll. No musical background necessary.

UEMU 221 Music in the Medieval, Renaissance and Baroque Periods 3 credits
A chronological in-depth study of the styles, features and aspects of Medieval, Renaissance and Baroque music.

UEMU 222 Music in the Classical and Romantic Periods 3 credits
A chronological in-depth study of the styles, features and aspects of Classical, Romantic, Twentieth-and Twenty First-Century music.

UEMU 400 Special Topics 3 credits
Provides an opportunity to pursue, in a structured setting, a topic of current interest or specialized focus not available in other music courses.

Philosophy (PL)

Each of the philosophy courses listed below may be taken as an introduction to the discipline of philosophy. There are no Prerequisites. Each course introduces the student to the nature and methodology of philosophy in addition to exploring a specific philosophical topic.

UEPL 109 Philosophical Thinking 3 credits
Introduces the student to the study of reasoning, emphasizing the structure of arguments. A basic introductory course that explores philosophy as a human activity. It focuses upon the processes used by philosophers as they examine questions such as: What is reason? What is real? What ought we do? Is there a God? Students not only experience major philosophers at work on human issues, but also participate in the activity by developing their own skills for creative thinking, rational agreement and responsible judgment. The course is designed to help students develop analytical skills for understanding how arguments work, how they are structured, and how they are to be evaluated. This course will also help students develop composition skills for constructing arguments and defending claims, which will help, develop and enhance their ability to express themselves articulately and persuasively. These skills are crucial for both making a civilized impact on the world and for serious and honest internal reflection.

UEPL 110 Ethics 3 credits
A consideration of the ethical dimension of human action, with a focus on the value systems which function as ultimate determinants of what a person does and, therefore, of what a person will become. Analysis of the rational psychological nature of values, their place in ethical systems, and their role in the human decision-making process.

UEPL 125 Logic and Argument 3 credits
An examination of systems of logic, fallacies, strategies of logical persuasion and propaganda and theories of meaning and truth. The goal of the course is twofold: that students gain an appreciation of the manifold character of "everyday" reasoning, and that they develop sensitivity to the possibilities and pitfalls of persuasive discourse.

UEPL 130 Ethics and the Environment 3 credits
A study of major Western ethical theories and their application to perennial and contemporary ethical issues, with special focus on environmental concerns in both discussion and writing assignments. Emphasis on critical analysis, the relation between ethics and culture, the significance of virtue-based ethical analysis and the connections between environmental ethics and other ethical issues.

UEPL 135 Business Ethics 3 credits
Considers how and why certain business practices are good and others bad. Of particular concern are areas where the profit motive seems to conflict with moral standards. The various ethical issues facing business today, such as the effects of advertising and workers' rights, form the final part of the course.

UEPL 140 Introduction to Non-Western Philosophy 3 credits
An introduction to some of the main traditions of India and Asia through a reading of a central primary text in each. Focus is on the Hindu, Buddhist, and Taoist traditions as an attempt to appreciate the range and thematic unity of these perspectives.

UEPL 322
Ethical Issues in Human Services 3 credits
This course provides an in-depth analysis of real life situations that involve personal beliefs, values, ethics, and moral dilemmas that challenge human service professionals in their interactions with clients, students, co-workers, supervisors and other service providers. The course relies on the National Organization of Human Services (NOHS) Code of Ethics as the foundation for critical thinking and decision-making activities.

Physics (PH)

UEPH 104 Astronomy 3 credits
An introduction to the sky, the solar system, stellar evolution, deep space objects and cosmology as well as the tools used by astronomers to study the universe. Laboratory activities as well as the use of a 14" Celestron telescope and a planetarium instrument enhance the course material.

UEPH 108 Physics for Life 3 credits
A course, which introduces the non-science major to the basic physical principles of the natural world. Topics include motion, energy, heat, wave motion and sound, electricity and magnetism and light. Prerequisite: minimum high school algebra.

Political Science (PO)

UEPO 103 American Federal Government 3 credits
An analysis of the basic principles of the Federal Constitution, political parties, the electoral process and the political character and behavioral pattern of the American voter. The structure and processes of the Congress, the presidency and judiciary are examined.

UEPO 104 International Studies 3 credits
An analysis of the relationship among politics, economics, and culture in selected nations from different regions of the world. Emphasis is placed on an examination of how different nations approach such issues as economic development, political organization, the distribution of wealth, environment, health care, and child welfare.

UEPO 201 Classical Political Thought: Constitutionalism and Human Rights 3 credits
An analysis of the development of Western constitutionalism and its protection of human rights, from the Greek philosophers, the Roman lawyers, and medieval theologians to the British and American constitution. Artistic and literacy aspects of Western civilization are considered in this analysis.

UEPO 202 Modern Political Thought: Totalitarianism and Human Rights 3 credits
An analysis of the development of the totalitarian idea from the Renaissance through the Enlightenment to its actualization in contemporary regimes, which systematically abuse human rights. A broad cultural overview of these periods is provided.

UEPO/CJ 203 Civil Liberties 3 credits
Examines the evolution of civil liberties in America from the adoption of the U.S. Bill of Rights through some of the most recent Supreme Court decisions. Emphasis will be focused on human rights issues in a historical context.

UEPO 330 Constitutional Law and Public Policy 3 credits
An examination of the impact of constitutional law on the formation of American public policy. The debate on the proper policy role of the judiciary is examined. Leading Supreme Court decisions in the areas of intergovernmental relations, commerce, and civil rights and liberties are analyzed.

UEPO/MG 350 Government and Business 3 credits
An in-depth examination of the complex and expanding role of government activity in the private business sector. The history of intergovernmental aid programs, the growth of public/private economics partnerships and the pros and cons of government regulation and tax structures will be explored in detail, giving students background necessary for understanding current government policies.

Psychology (PS)

UEPS 109 Introduction to Psychology 3 credits
An overview of psychology that emphasizes how psychologists function as scientists. Topics include research methods, psychobiology, motivation, perception, consciousness, learning, cognition, development, personality, psychology and health, psychological disorders, psychotherapy, and social relationships.

UEPS/ED 202 Educational Psychology 3 credits
Presents comprehensive multidisciplinary array of theories, facts and practical knowledge in early child development through a variety of materials and media. The course goals, components, topics and assignments are designed to promote teachers' awareness and sensitivity to the interdependence of individual development and local cultural environments and to give professional knowledge to help them create opportunities for healthy development of children from birth to 4th grade relative to their individual needs.
    Prerequisite: UEPS 109.

UEPS 203/UEP4 201 Psychology of Child Development 3 credits
Focuses on the study of child development from conception to pre-adolescence. It is designed for the students to learn about all aspects of human development: physical, emotional, social, cultural and cognitive. The course aims to introduce a holistic view of human development as integrated into particular social and cultural context by presenting contemporary theories of child development, research methods in the study of development and in particular aspects of healthy human psychological development that are relevant in learning and education.
Prerequisite: UEPS 109.

UEPS 204 Psychology of Adolescent Development 3 credits
Examines the cognitive, emotional, physiological, sexual, and social developments that occur during adolescence. Emphasizes the psychosocial and environmental factors that increase adolescent risk of abuse, addiction, alienation, delinquency, mental illness, and violence.
Prerequisite: UEPS 109.

UEPS 207 – Infant Child Development 3 credits
This course presents an analysis of the developmental stages of infants and toddlers. A short list of topics to be covered in this course are as follows: Understanding the physical, social, emotional and development of personalities in children from birth to 36 months; how a healthy and stimulating environment promotes healthy growth and development, the importance of relationship building; types of developmental screenings and why screenings are important, brain development and historical influences/research in Infant Toddler development.

UEPS 217 Abnormal Psychology 3 credits
Focuses on the study of abnormal behavior, classification of psychological disorders as well as possible causes, treatment options, prevention and prognosis. Examines the major theoretical perspectives in abnormal behavior. *Prerequisite: UEPS 109.*

UEPS 240 Human Development 3 credits
An overview of human development from conception to death. Special attention is given to the effects of psychological and social factors on development. *Prerequisite: UEPS 109.*

UEPS 245 Health Psychology: The Mind/Body Connection 3 credits
What is the relationship between the mind and the body? Can psychological stress result in a physical disease? Explores the relationship between psychobiological factors and health through a didactic method as well as experiential group exercises. A holistic approach to wellness is presented, including such topics as nutrition, exercise, environment and lifestyle. Various stress-related disorders are studied in light of current research on personality, lifestyle and coping style.

UEPS 250 Social Psychology 3 credits
The study of how an individual's thoughts, feelings, and behaviors are affected by social influences. Topics include: persuasion; conformity; obedience; liking, loving, and interpersonal attraction; self-concept; social cognition; prosocial behavior; and prejudice. *Prerequisite: UEPS 109.*

UEPS 267 Drugs and Behavior 3 credits
Covers theories and experimental evidence regarding the mechanisms of action and effects of drugs on the brain and behavior. In addition, it covers the impact of drugs on society and the implications of drug usage on clinical practice. Students engage in debates about topics relevant to drug usage and legalization.

UEPS 280 Psychology of Aging 3 credits
Traces human development from early adolescence, through adulthood to death. It focuses on the cognitive, physical, social/emotional development and changes that humans undergo throughout the mature lifespan. *Prerequisite UEPS 109.*

UEPS 308 Theory and Practice of Counseling 3 credits
 Presents an introduction to and overview of the practice and profession of counseling. It will emphasize the counseling process, professional preparation, ethical and legal issues, assessment and diagnosis, counseling from a multicultural perspective, research and evaluation, major theorists, as well as counseling with families, children and adolescents and groups. Approaches with families, married couples, and those working directly with the mentally ill are explored. *Prerequisite UEPS 109.*

UEPS 400 Special Topics 3credits
Provides an opportunity to pursue in a structured setting a topic of current interest or specialized focus not available in other psychology courses.

Religious Studies (RS)

UERS 104 Religion and Culture 3 credits
This course is designed to invite students to reflect upon and examine the dynamic relationship between religious experience and culture. Emphasis is placed on the historical, theological, and sociological dimensions of the many cultures and religions of North America. Faith stories from people representing a multicultural cross-section of the major world religions are studied emphatically and critically.

UERS 106 World Religions 3 credits
Examines humanity's evolving relationship with the supernatural. Studies primitive, archaic, and historic periods in the development of religion as background to modern religious systems and traditions. Explores several of the world's religions, including their belief statements; sacred writings; moral codes; relationship to other religions.

UERS 107 Contemporary Christian Living 3 credits
Probes the possibilities of "meeting Jesus again for the first time" by examining his life as compassionate prophet and wisdom teacher from an historical-critical perspective.
