

Sister *on the go!*

Sister Carol Jean Vale may not have mastered being in more than one place at a time, but that doesn't have to stop you from bringing her along on all your adventures. Grab a pair of scissors to cut out your very own Sister Carol and carry her with you, wherever you're going! Whether you need a traveling companion for your next big road trip or an encouraging presence at your desk to help get you through the workday, #SisterOnTheGo is ready to tag along. **Oh, the places she'll go!**

Share your photos on social media using the hashtag #SisterOnTheGo to show just how far and wide Sister Carol's impact on the lives of current and former CHC students extends. You can also tag @chestnuthillcollege for a chance to see your photos on the main CHC feed!
